

Author's Publications

1. S. Kumar and A. Prasad, "Civil engineering application of artificially cemented red mud: state-of-the-art review," *Recent trends in civil engineering and water resource engineering*, RTCWRE-17, Hyderabad, pp. 138-140, 2017.
2. S. Kumar and A. Prasad, "Parameters controlling strength of red mud-lime mix," *European Journal of Environmental and Civil Engineering*, pp. 1-15, 2017.
3. S. Kumar and A. Prasad, "Strength retrieval of artificially cemented bauxite residue using machine learning: an alternative design approach based on response surface methodology," *Neural Computing and Applications*, pp. 1-14, 2018.
