---

I am using this opportunity to express my sincere thanks and gratitude beyond words to my supervisors, Dr. Girija Shankar Mahobia and Dr. Kausik Chattopadhyay for their consistent help, encouragement and valuable discussions during the entire period of my research work. I would not have been able to complete the thesis without their utmost involvement and invaluable efforts. They motivated me to pursue research problem and the need for persistent effort to accomplish the goal. I am truly indebted to them. They are the real definition of a best teacher being friendly and behind for all problems of not only mine but all the students.

Besides my Supervisors, I would like to thank Prof. Vakil Singh and my RPEC members Prof. K. K. Singh and Prof. A. P. Harsha for their insightful comments and encouragement.

I sincerely thank Prof. N. K. Mukhopadhyay, Head of the Department of Metallurgical Engineering and the former Heads Prof. R. K. Mandal and Prof. G. V. S. Sastry for providing all the research facilities to successfully accomplish my research in the Department.

I have deep sense of gratitude to Prof. O. P. Sinha, Prof. Sunil Mohan, Prof. N. C. Santhi Srinivas and all other faculty members of the Department of Metallurgical Engineering, IIT (BHU), for their cooperation and inspiration.
