First and foremost, I would like to thank God for giving me the strength, knowledge, ability and opportunity to undertake this research and complete it satisfactorily. Without his blessings, this achievement would have not been possible.

I wish to express my deep gratitude and sincere regards to my supervisor Dr. Kishor Sarawadekar for his valuable guidance, encouragement and support for implementing my ideas. His guidance helped me all the time, not only during research and writing of thesis but also in leading a better life. His knowledge, kindness, patience, open-mindedness and vision have definitely provided me with lifetime benefits.

Besides my supervisor, I would like to earnestly thank the rest of my Research Progress Evaluation Committee members—Prof. R.R. Das and Dr. Neeraj Sharma. I would like to thank and express my deep gratitude to Prof. Anand Mohan for his blessings and guidance in thesis writing. His insightful comments and suggestions have always been very helpful and illuminating.

I wish to owe special thanks to Prof. V. N. Mishra, Prof. K. P. Singh, Prof. S. Jit, Prof. Rajeev Sangal, Dr. Satish Kumar Singh, Dr. M. K. Meshram, Dr. Chintha Perera and Archana Ma'am for their direct and indirect support. I would also like to whole heartily acknowledge the visually impaired students of Banaras Hindu University, Varanasi and Sri Hanuman Prashad Poddar Andh Vidyalaya, Durga Kund, Varanasi for their participation in this research.

I am very grateful to my friends and colleagues Mr. Subiman Chatterjee, Mr. Purnendu Mishra, Mr. Sumit Kumar Yadav, Ms. Shraddha Singh, Mr. Kamal Jyoti Pathak, Mr. Ashutosh Mishra, Mr. Sudhir Bhaskar, Mr. Rahul Pal, Mr. Harendra Netam and Mr. Shashi Bhushan Rai. A special thanks to Mr. Subiman Chatterjee (Lab-cum-room partner), Mr. Chandan Kumar (Leader of Opposition), Mr. Lalit Chandra (Chotu Sir), Mr. Gopal Rawat and Mr. Sujeet Kumar for making stay at IIT(BHU) hostels memorable. The never-ending tea at VT, DG and LC are the moments I will cherish for a lifetime. I would like to specially mention and thank my friends Mr. Himanshu Maurya, Mr. Manish Varyani, Mr. Gaurav Soni, Mr. Bhaskar Tiwari, Mr. Kapil Kumar Raikwar and Mr. Siddharth Mishra for their continuous support and encouragement.

I am deeply indebted to my family especially my parents (Mr. Sharada Prasad Gupta and Mrs. Rajkumari Gupta) for their unconditional love and constant support over the years. I convey my deep gratitude to brother (Mr. Rishi Modanwal), sister (Mrs. Pooja Gupta and Mrs. Archana Gupta), sister-in-law (Mrs. Shree Gupta) and my loving nephew (Yug). I would also like to thank my cousins (Dr. Dharendra Gupta and Mr. Pradeep Gupta) for helping and encouraging me for higher studies.

Finally, I would like to thank the staff members of the Department and all others whose direct and indirect support helped me in completing my dissertation.
