

ACKNOWLEDGEMENTS

Foremost, I would like to express my sincerest regards and love for my father Sri Jagdish Prasad Bhaskar and mother Smt. Sumitra Choudhary for their constant support and love throughout my life. I will always be in debt no matter what I do, and I will always be your reflection.

Besides my parents, I would like to express my immense gratitude to my supervisor Dr. Amit Kumar Singh for his excellent guidance and motivation. The completion of this research work is indeed an outcome of his constant untiring support, valuable ideas, and suggestions during my research work. The insightful discussions with him always provided me great enthusiasm.

I wish to extend my sincere gratitude towards my research performance evaluation committee (RPEC) members, Dr. M. K. Meshram and Dr. S. K. Singh for their encouragement and insightful comments. I would also like to thank all the faculty members for their kind cooperation and encouragement during this journey. I am grateful to my M. Tech. supervisor Prof. S. P. Singh for enlightening me for further research. I express my gratitude to Dr. Somak Bhattacharyya for his valuable advice.

My thanks and sincere appreciations also go to all staff members of microwave laboratory, especially to Mr. Jay Ram for their kind co-operation.

I would like to express my special thanks to Dr. Sarthak Singhal, Dr. Pouria Kamalvand, Dr. Bhagirath Sahu, and Ms. Bidisha Barman for their fruitful suggestions and valuable assistance from simulation to measurement.
