

ACKNOWLEDGEMENT

It is my proud privilege to express my deep indebtedness and sincere gratitude to my supervisor, Prof. S.P.Tewari, Mechanical Engineering Department, Indian Institute of Technology(BHU), Varanasi, for his inspiring guidance, encouragement, and insight throughout the research period of our association. His valuable and constructive suggestions have gone a long way towards completion of this work.

My sincere thanks to Prof. A.K. Agrawal Head, Mechanical Engineering Department, for his prompt and valuable support in accomplishing department and academic requirements. I would like to thank Prof. A.K. Jha, Prof. S.K. Sinha, Dr. C.K. Behra and all the teachers of my Department for their help and encouragement which assisted in improving the quality of the work.

Thanks are also due to the non-teaching staff of I.I.T. Main Workshop, C.I.S.F. lab, Machine Shop, Fitting Shop, Foundry Shop and other Laboratories of Mechanical Engineering Department, Material Science School of Department and Metallurgical Engineering Department for their co-operation and active help in carrying our experimental work.

I am thankful to my seniors and dear colleagues Dr. J.P. Srivastava, Dr. Bipin Kumar Srivastava, Mr.Sanjay Kumar, Mr. S.A. Rizvi, Mr. Manish Deo and Mr. Sidharth Yadava for their support. I thank Mr. L. S. Rao, Dr. R.K. Mandal(AWS), Mr. B. Rajat, Mr.L.J.Vishwakarma, Mr. R. K. Sharma, Mr. C. Nath, Ravi Singh, Ashwani Tewari, Sunil Kumar, Dileep Kumar, Kunwar Bahadur, Ajay Yadav, C. Mohan, Bipin Rai, Vijay Singh.

I would like to offer sincere thanks to my wife Meenu Kumari for unshakable faith in me and her willingness to endure with me during research work. I extended my thanks to my elder sisters Reeta Kumari and Geeta Kumari and younger brother and Sister, Mr. Mahipendra Kumar and Preeti Kumari for their valuable suggestion and positive motivation throughout my research work.

Finally, I thank Almighty Lord, for answering my prayers, giving me the strength and showing the right path to succeed at every stage of my life.
