
ACKNOWLEDGEMENTS

First and foremost, praises and thanks to the Creators of this universe, for His showers of blessings throughout my research work to complete the task successfully.

It is a great honour and proud privilege for me to express my deep sense of gratitude to my supervisors **Prof. Santosh Kumar**, Professor Department of Mechanical Engineering, and **Prof. N. K. Mukhopadhyay**, Professor, Department of Metallurgical Engineering, Indian Institute of Technology (BHU), Varanasi for their invaluable help, cooperation, guidance rendered during course of my Ph.D. work at Indian Institute of Technology (BHU), Varanasi.

I am grateful to **Prof. A P. Harsha**, Head, Department of Mechanical Engineering, Indian Institute of Technology (BHU), Varanasi for providing necessary Departmental facilities.

I am extremely grateful to all the former heads especially **Late Prof. J. P. Dwivedi**, **Prof. V. P. Singh**, **Prof. A. K. Agrawal** and **Prof A. K. Jha** of Mechanical Engineering Department, Indian Institute of Technology (BHU), Varanasi for their motivation inspiration throughout the course.

I want to thank the rest of my research performance evaluation committee members **Prof. S.N. Ojha**, for his continuous guidance and support and **Prof. S.K Sinha**, for his insightful comments.

I wish to thank all the staff of office Mechanical Engineering Department and Production Engineering Lab specially **Shri J. K. Sinha** (J.A.), **Shri Akash Mishra** (J.A.), **Shri Rajendra Kumar** (T.S.) and **Shri Hari Shanker** (T.S.) for their support and cooperation.

I wish to acknowledge the help and support received from all the staff of Metallurgical Engineering Department Specially **Shri J.P.Minz (T.S.)**, **Shri Chhote Lal (S.T.)** and **Shri M.D. Sheraj (T.S.)**.

I would like to express my sincere thanks to all the staff of Central Instruments Facility specially **Shri Satya Prakash (S.T.S.)**, **Shri Bed Prakash Singh (T.S.)**, **Shri. Girish Sahu (SEM operator)**, and **Shri Pradeep Kumar (CNC operator)** for their support and cooperation.

I am very much thankful to **Prof J.P. Pandey**, Director and **Prof. Raghuraj Singh** Ex Director KNIT Sultanpur. I must express thanks to **Prof. A. K. Singh** Coordinator TEQIP-II for providing all the financial support for the materials experimental set-up.

I must thank my guru **Prof. H.D Ram** and my colleagues **Dr. A.K. Chauhan**, **Dr. Amit Medhavi**, **Mr. Anshul Yadav** and **Mr. Rajnish Singh** from KNIT Sultanpur for their motivation and encouragement.

My sincere thanks also go to my seniors **Dr. Rajesh Singh**, **Dr. D.K. Sinha** and friend **Dr. Binayaka Nahak** for their constant motivation and encouragement

Finally and most importantly, I am enormously grateful to my whole family members especially my parents **Shri Dayaram Singh** and **Munakka Devi** for their continuous love and inspiration. I sincerely thank my wife **Shweta Singh** and daughter **Adrika Singh** for their constant support and happily accepting the inconvenience caused due to absence for my thesis work.

I once again thank everyone, whose contribution has made this task successful.

December 2018

Anil Kumar
