

ACKNOWLEDGEMENT

Foremost I would like to express my sincere indebtedness and gratitude to my esteemed supervisor *Dr. Nilanjan Mallik*, Department of Mechanical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi, for his motivation, encouragement, insightful comments, immense knowledge and valuable guidance throughout my research work. His guidance helped me in executing the work as well as the writing of the thesis.

Beside my supervisor, I would like to thank my co-supervisor *Dr. I. Chakrabarty*, Department of Metallurgical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi, for his enthusiasm, patience, inspiration and valuable suggestions especially in casting aluminium alloy Metal Matrix Composites.

In addition, I thank *Prof. A.K. Agrawal, Head*, Mechanical Engineering Department, for his prompt and strong support in accomplishing the departmental and academic requirements. I thank *Prof. J.P. Dwivedi*, Department of Mechanical Engineering for permitting me to use the instruments especially for Cantilever Fatigue test in Stress of Materials (SOM) laboratory. Also I thank *Prof. Vakil Singh*, Metallurgical Engineering Department, and all the teachers of Mechanical Engineering Department for their support and inspiration which helped to improve the quality of my thesis.

I want to express my deep thanks to the **non-teaching staff** of IIT (BHU) Main Workshop, C.I.S.F. lab, Machine Shop, Fitting Shop, Welding Shop and other laboratories of Mechanical and Metallurgical Engineering Departments for their co-operation and technical assistance in carrying out the experimental work.

I would like to offer sincere thanks to *Mr. Dhani Ram Shanker* and *Mr. Shambhu Prasad* of SOM Lab, Mechanical Engineering Department, Indian Institute

of Technology (Banaras Hindu University), Varanasi, for their help while doing the Cantilever Fatigue test.

I would like to express my deep sense of gratitude to research scholars **Mr. A. Walli, Mr. Sanjeev Kumar Singh , Mr. Yogesh Kumar, Saadat Ali Rizvi and dear Oyin Mangkeng** for their co-operation

Special thanks to my respected **father Mr. Mahmood Yahya** and lovely **mother Mrs. Nooryia Shehab**, for their inspiration, encouragement and excellent co-operation as well as financial support throughout my research work, and dear **brothers and sisters**.

Finally, I would like to express my deepest gratitude to Almighty God as with His blessing, this research has successfully been concluded.
