

Low Cycle Fatigue Analysis of Aluminum Alloy and Metal Matrix Composites

Thesis submitted for the award of the degree of

Doctor of Philosophy in Mechanical Engineering

By

Mazin Mahmood Yahya

Under the Supervision of

Dr. Nilanjan Mallik
(Supervisor)

Department of Mechanical Engineering
IIT(BHU), Varanasi

Dr. I. Chakrabarty
(Co-supervisor)

Department of Metallurgical Engineering
IIT(BHU), Varanasi

Department of Mechanical Engineering
Indian Institute of Technology
(Banaras Hindu University)
Varanasi-221005, India
