

List of Publications

(Published/ Accepted/Communicated)

- [1] **P. K. Mishra**, S. Das and M. Gupta, “Study of propagation of interfacial crack due to the presence of sub-interfacial crack”, **ZAMM-Journal of Applied Mathematics and Mechanics**, 96(9), 1129-1136, 2016.
- [2] **P. K. Mishra** and S. Das, “Study of Crack Propagation at the Interface of Composite Media”, **Archive of Mechanics (Communicated)**.
- [3] **P. K. Mishra** and S. Das, “Two interfacial collinear Griffith cracks in thermo-elastic composite media”, **Thermal Science (Accepted)**, 2016. doi : 10.2298/TCSI151017210M.
- [4] **P. K. Mishra** and S. Das, “Interaction between Interfacial Collinear Griffith Cracks in Composite Media under Thermal Loading”, **Zeitschrift fur Naturforschung A / A Journal of Physical Sciences**, 71 (5), 465-473, 2016.
- [5] **P. K. Mishra** and S. Das, “Study of cracked orthotropic elastic strip under normal impact loading conditions”, **International Journal of Engineering Sciences (Communicated)**.
