

## ACKNOWLEDGMENT

*First of all, I would like to express my sincere gratitude to my supervisor Dr. Manoj Kumar Meshram for his continuous support, motivation and valuable guidance. Without his precious and wholehearted support, the successful completion of this research work would not have been possible. His broad knowledge and enthusiasm for work will always be a source of inspiration for me. His level of understanding and expertise in work and in life encouraged me and provided me a lot of confidence.*

*I would like to thank Prof. S. P. Singh for his valuable suggestions and discussions during this research work on both the theoretical and practical aspects of Electromagnetics. I would also like to thank Prof. B. R. Vishvakarma and Prof. K. P. Singh for their endless suggestions during the research period. I would also like to extend my thanks to Prof. P. K. Jain for his support and encouragement.*

*A vote of thanks from the bottom of my heart goes to the Head of the Department, Electronics Engineering, Indian Institute of Technology (BHU), Varanasi for providing me all of the necessary tools and lab facilities to conduct my research work. I would also like to thank all the faculty members, laboratory staff, librarians and office staff for their kind cooperation and encouragement during this journey.*

*I would like to express my special thanks to my seniors Dr. P. K. Bharti, Dr. Hari Shankar Singh, Late Dr. Gaurav Pandey, Dr. Pouria Kamalvand, Dr. Soni Singh, Mr. Veer Singh Gangwar, and Ms. Situ Rani for their constant encouragement, fruitful discussions and suggestions. I have great pleasure in acknowledging my gratitude to my colleagues and fellow Mr. Bhagirath Sahu, Mr. Ashis Kumar Behera, Mr. Sourabh Srivastava, Mr. Arun Kumar Sourabh, Mr. Rahul Dubey, Ms. Akanksha, Mr. Prakash and Mr. Abhijeet Singh for their motivation, support, and encouragement. My thanks and deep appreciations also go to Mr. Jayram, Technical Superintendent, Microwave Lab for his kind co-operation both academically and personally. I am also thankful to Mr. Arvind Sharma, Mr. Girish and office staff of central instrumentations facility (CIF) for their kind cooperation to fabricate the prototypes.*

*Finally, no word will be enough to express my deepest reverence to my mother Mrs. Sapna Agarwal and my father Dr. Sunil Kumar Agarwal for their tireless support and sacrifices in bringing me up. I would also like to acknowledge my younger sister Aadishree for her warm encouragement. My thanks also to my mother-in-law Mrs. Renu*

*Agarwal, my father-in-law Mr. Prabhat Kumar Agarwal and my brother-in-law Mr. Arpit Agarwal for their belief and confidence in my ability.*

*My acknowledgment would be incomplete without mentioning my wife Mrs. Sugandha Agarwal. Her belief in me inspired me to achieve greater things than I would have dreamed. Her love, trust, dedication, and encouragement supported me and brought happiness into my life. Thank you to my son Atharv for filling my life with joy and smile. I am happy to have you in my life.*

*At last, I would like to thank Almighty for giving me the strength, knowledge, ability and opportunity to undertake this research study and to complete it satisfactorily.*

*Date: 30/6/2018*

*Mayank Agarwal*
