

ACKNOWLEDGEMENTS

Through this page I offer my salutation, to creator of this pious seat of learning **Mahamana Pt. Madan Mohan Malviya Ji**.

It is indeed my proud privilege to express my deep sense of gratitude, respect, indebtedness and sincere regards to my supervisor, **Prof. Mira Debnath (Das)**, School of Biochemical Engineering, Indian Institute of Technology (B.H.U.), Varanasi for his excellent supervision, skilled and valuable guidance, stimulating discussion, unfailing support, immense help, and constant encouragement not only during this work but also over entire period of my association with him. I am grateful to him for his sincere concern both for academics and personal welfare and parental care throughout the research period that he has extended to me for the successful completion of this investigation. I am proud to have a teacher like her always encouraging, standing besides supporting, no matter what adversity is on the stand. In fact, SHE has been a source of inspiration to motivate me for doing better and better in life with an optimistic approach.

I pay my sincere thanks to **Prof. S. K. Srivastava**, Coordinator, School of Biochemical Engineering, Indian Institute of Technology (B.H.U.) for their valuable advice and suggestions and for providing necessary facilities for the experiments.

I wish to express my heartfelt thanks **Prof. Abha Mishra** DPGC Convener, School of Biochemical Engineering, Indian Institute of Technology (B.H.U.) for her constant support, valuable guidance, sincere concern and motherly love.

It is a profound privilege to be a student of School of Biochemical Engineering. I would like to thank other faculty members of the school **Prof. R. M. Banik**, **Dr. Pradeep Srivastava** and **Prof. (Dr.) Subir Kundu** who helped me a lot in overcoming the bottlenecks I encountered during my studies with their valuable advices.

I am thankful to **Prof. M. K. Mondal**, my external RPC member, Department of Chemical engineering, IIT (B.H.U) for giving me valuable suggestions throughout my research period.

*I can never forget Dr. **Kranthi Kumar tungla** for their help in NMR structure prediction he gave lot of time for my help.*

*I am highly obliged to express my appreciation towards my senior **Dr. Yogendra Singh** for their time to time help and assistance in each and every step of the research work.*

*I am especially grateful to my **Moti Lal, Sukhendra Singh, saroj Kumar** for help in the experimental work related to my research. I am especially grateful **Rahul kumar** cooperated lots during my research work.*

*I am especially grateful to my **Ms. Sumedha Ojha** for help in the area of bioinformatics related to my research work.*

*I am also grateful to the non-teaching staff members **Mr. L. N. Singh, Mr. Ramashankar Singh, Mr. Ramji Yadav, Mr. Suchit Verma, Mr. Dinesh, Mr. Vinay, and Mr. Arun** for their support and cooperation during my research work.*

*I have been highly blessed with a friendly and cheerful group of fellow research scholars. I would like to express my heartfelt gratitude to specially **Mr. Devendra Verma, Mr. Ashish Verma, Ms. Rupika Sinha, Mr. Dhiraj chaudhary, Mr. Sukhendra Singh**. Who directly or indirectly supported my research work, their companionship and lively discussions in and outside the laboratory was a great source of inspiration.*

*Words plunge insufficient to express my regards and deep emotion to my beloved parents for being a source of unconditional love and inspiration to move on the way to my goal of achieving higher education. Their everlasting encouragement, patience, sacrifice and blessings are the sources which brought me up to this stage. Parents being earthly God in my life, deserves much more than what I can express in words. I take this occasion to acknowledge the financial assistance provided by **University Grant Commission** and **Ministry of Human Resource and Development** in the form of Ph. D fellowship and Teaching Assistantship.*

Again, I wish to express a word of thanks to all those hands that helped me in some way or other in pursuing my research work and for the completion of thesis. I apologize unreservedly for any mistakes, omissions or failure to acknowledge fully.

*Finally, I bow my head humbly before the almighty **God** without whose consent and blessings, this work would have been impossible.*

Date: 10/06/2017

Place: IIT (BHU), Varanasi
