
ACKNOWLEDGEMENTS

I am using this opportunity to express my sincere thanks and gratitude beyond words to my supervisors, Dr. Meghanshu Vashista and Dr. Mohd. Zaheer Khan Yusufzai for their consistent help, encouragement and valuable discussions during the entire period of my research work. I would not have been able to complete the thesis without their utmost involvement and invaluable efforts. They motivated me to pursue research problem and the need for persistent effort to accomplish the goal. I am truly indebted to them. They are the real definition of a

best teacher being friendly and behind for all problems of not only mine but all the students.

Besides my supervisors, I would like to thank my RPEC members Prof. A. K. Jha and Dr. Kausik Chattopadhyay for their insightful comments and encouragement. I sincerely thank Prof. A. P. Harsha, Head of the department of Mechanical Engineering and the former heads Prof. A. K. Jha, Prof. A. K. Agrawal and Prof. V. P. Singh for providing all the research facilities to successfully accomplish my research in the Department. I have deep sense of gratitude to all the faculty members of the Department of Mechanical Engineering, IIT (BHU), for their cooperation and inspiration.

I am thankful to my all friends Digvijay, Parshant, Ashish, Ashish Pareta, Dhananjay, Deepak, Gaurav, Vinod, Rajeev, Sushant and seniors especially Avinash Ravi Raja for their constant encouragement, making joyful and memorable life being with my moments of happiness and troubles at IIT (BHU), Varanasi. I would also thank my juniors Akash, Sanjay, Atul, Vineet, Deepak, Kaushal, Jiyaul, Manish, Sidharth for their support.

I am also thankful to all the lab and workshop staff specially Mr. Lalji ji, Mr. Ajay Yadav and Mr. Rajendra Ji and office staff.

Last but not the least, I would like to express my deepest gratitude to my family, my parents Smt. Chinta Devi and Shri Harendra Prasad, for giving my life in first place, for educating me, for their unconditional support and encouragement to pursue my interest. A special word of thanks to my fiancée Kumkum for her support and encouragement.

I also wish to thank my friends and the persons whose names have not been mentioned on this piece of paper for extending their cooperation directly or indirectly.

Harikishor Kumar
