

## **Acknowledgements**

*To my life-coach, God: because he always enlightens the path whenever I was unable to resolve the issue in my research, I owe it all to you. Many Thanks!*

*Initially, I would like to express my deep sense of gratitude to my supervisor Prof. Yogesh Chandra Sharma, Department of Chemistry, Indian Institute of Technology (Banaras Hindu University), Varanasi, for his valuable guidance, constant support, critical and motivating comments throughout the completion of this research work. It is my pleasure to express my deepest admiration and heartiest thanks to him for helping me to learn the subject and to develop an interest for further research in this area.*

*I would like to thank the Head, Department of Chemistry, IIT (BHU), Varanasi, Prof. Dhanesh Tiwari as well as all the faculty members of Department of Chemistry, IIT (BHU) for their kind support and for extending all required facilities to carry out my research work smoothly. I am also thankful to my RPEC members Dr. H. L. Pramanik as an external expert from Department of Chemical engineering and Technology and internal subject expert Dr. M. Malviya for their valuable suggestions.*

*A very special gratitude goes out to the Department of Chemistry, IIT (BHU), Varanasi and MHRD for helping and providing the funding for the research work.*

*I gratefully acknowledge the facilities provided by CIFC, IIT (BHU), Varanasi and their staff members.*

*With special thanks to my seniors Dr. Deepak Gusain, Dr. Ashutosh kumar Dr. Shikha Dubey, Dr. Devarapaga Madhu, Dr. Veena singh and Dr. Sushmita Banerjee for their suggestion and healthy discussion of my research issues. I am also thankful to my colleagues and juniors, Ms. Reena Singh, Ms. Shalini Sahani, Ms. Tania Roy, Ms. Siddhi Jaiswal and Ms. Geetanjali for their support and assistance during my research work.*

*My forever interested, encouraging and always enthusiastic my father Mangi Lal Yadav and my mother Madhu Yadav: they were always keen to know what I was doing and how I was proceeding, although it is likely that they have never grasped what it was all about! I love your screams of joy whenever a significant momentous was reached and also just your general impudence. I am grateful to my siblings Monika, Sonu, Hemant and Harish who have provided me the moral and emotional support to perform my liabilities.*

*Finally, last but by no means least, also to everyone in the impact hub, it was great sharing laboratory with all of you during my Ph.D. Thanks for all your encouragement!*
