

Acknowledgments

Though, only my name appears on the cover of this dissertation, so many great people have contributed to its production. I owe my gratitude to all those people who have made this thesis possible.

I take this opportunity to express my profound gratitude and deep regards to my supervisor Prof. (Late)S.N.Mahendra, Electrical Engineering Department IIT(BHU), Varanasi who introduced me with linear induction motor, when I started my PhD work on "Electromagnetic Control Adhesion in Railways Traction" but unfortunately the outcome of the analysis and previously reported works dragged us down. I am again grateful to him for his encouragement for selecting new PhD problem, even after the completion of my 3 years duration in PhD. His faith and belief in me always motivated and inspired me even after his sad demise. I am also grateful to my supervisor Prof. R.K. Srivastava, Electrical Engineering Department IIT(BHU), Varanasi for his technical support and constant encouragement.

I am obliged to faculty members, in particular, Dr. Shyam Kamal, Dr. R. K. Saket, Dr. S. Ghosh, Dr. S.K.Singh, Dr. R.K.Singh and staff members, in particular, Mr. Dharmendra, Mr. R.C. Sharma and Mr. B.L. Singh, of Electrical Engineering Department, IIT(BHU), Varanasi.

I show my gratitude to Electrical Engineering Department IIT(BHU), Varanasi for providing ANSYS MAXWELL software so that I could validate my analysis.

This work would not be complete without the support of the friends, here I express my deepest gratitude to all my friends special mention to Mr. Avneet Kumar, Mr. Anish Ahmed, Mr. M Raghuram, Mr. Md Meraz, Mr. Pilli Naresh Kumar, Mr. Praveen Kumar, Ms. Prativa K. Mahato, Mr. Sajid Kamal, and Mr. Shibli Reza. I will cherish, their moral and emotional support during my research program forever.

Last but not the least, I thank specially to my parents, Mr. Md Murtaza Ali and

Mrs.Sabila Khatoon, and rest of my family members, for their constant support and encouragement, without which this assignment would have not been completed at all.
