

ACKNOWLEDGEMENT

First and foremost, I would like to thank God almighty for giving me the strength, knowledge, ability and opportunity to undertake this research study and to persevere and complete it satisfactorily. Without his blessings, this achievement would not have been possible.

At the very outset, I express my deepest sense of gratitude to my **Supervisor “Prof. Vandana Srivastava”**, Department of chemistry, IIT(BHU), Varanasi, not only for continuous support, patience, motivation, enthusiasm and immense knowledge but also for their deep interest in my Ph.D. study and research. I thank her for putting up with my shortcomings and helping me to improve and overcome the same. Her guidance helped me in all the time of my research and writing of the thesis.

I would like to thank my co-Supervisor “**Dr. Sundaram Singh**,” Department of Chemistry, IIT (BHU), Varanasi, for her valuable suggestions, constant source of support and encouragement.

My sincere thanks to the former Heads, “**Prof. M. A. Quraishi**” and “**Prof. Rashmi Bala Rastogi**” Department of Chemistry, IIT (BHU), Varanasi, and the present head “**Prof. Dhanesh Tiwary**” as well as all the faculty members of Department of Chemistry, IIT (BHU) for their kind support and for providing necessary lab facilities and a congenial working atmosphere in the Department.

I would also like to thank my RPEC members, “**Dr. Sundaram Singh**”, “**Prof. Rashmi Bala Rastogi**” (Internal subject expert) and “**Prof. Vijay Lakshmi Yadav**” (External subject expert) Department of Chemical Engineering and Technology for their valuable suggestions throughout this work.

I gratefully acknowledge central instrumentation facility center (CIFC)-IIT (BHU), Varanasi, for providing instrumental facilities.

I also wish to thank all the non-teaching staff of the Department of Chemistry, Indian Institute of Technology (BHU) for their cooperation and timely help.

It's my fortune to gratefully acknowledge to my lab mates Pratibha Verma and Swati Chauhan for their valuable help throughout my research work.

I would like to pay my high regard to my family members for their love, affection, cooperation, faith and patience in my hard moments and lifting me uphill this phase of my life. Without that, I could not imagine myself.

I am indebted to Indian Institute of Technology (BHU) Varanasi, for providing financial support during my research work.

At last but not the least, I thank to large number of my well wishers whose names I may have failed to mention unintentionally.

Ankush Mishra
