To my life-coach, God: because he always enlightens the path whenever I unable to resolve the issue in my research, I owe it all to you. Many Thanks!

*Initially, I would like to express my deep sense of gratitude to my supervisor **Prof. Dhanesh Tiwary**, Department of Chemistry and co-supervisor **Dr. Anurag Ohri**, Department of Civil Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi, for his valuable guidance, constant support, critical and motivating comments throughout the completion of this research work. It is my pleasure to express my deepest admiration and heartiest thanks to him for helping me to learn the subject and to develop an interest for further research in this area.*

A very special gratitude goes out to the Department of Chemistry and MHRD for helping and providing the funding for the research work. I am also thankful to my RPEC members Professor S. B. Dwivedi as an external expert from the Department of Civil engineering and internal subject expert Professor Y. C. Sharma for their valuable suggestion.

With a special thanks to my colleague Mr. Ashwani Kumar Agnihotri, Mr. Ashutosh Kumar, my Juniors Mr. Ravi dubey, Mr. Shivam Tripathi, Mr. Abhishek Upadhyaya, Mr. Javed Akhtar for his valuable support, suggestion and healthy discussion of my research issues.

My forever interested, encouraging and always enthusiastic my father ShriRam Ujagir Mishra and my mother Smt. Malti Mishra: they were always keen to know what I was doing and how I was proceeding, although it is likely that they havenever grasped what it was all about! I love your screams of joy whenever a significant momentous was reached and also just your general impudence.

I am also thankful to all technical Staff, teaching and non-teaching staff specially Prakash Narayan Pandey, HeeraLal, Shankar Ram, Jai Singh, Akhilesh Kumar, LaalJi, Vikas Singh of the Department of Chemistry and Department of civil engineering for their support during research work. Finally, last but by no means least, also to everyone in the impact hub, it was great sharing laboratory with all of you during the last five years. Thanks for all your encouragement!
