---

I would like to express my highest gratitude to my research supervisors Dr. Anurag Ohri and Prof. Prabhat Kumar Singh for their guidance and continuous cooperation in carrying out this thesis. Furthermore, their stimulating encouragement and precious suggestions instrumented my vision to finalize the shape of this work and allowed me to accomplish the research work independently. I consider myself fortunate to have the opportunity to work under their excellent guidance.

At the outset, I express my deep sense of gratitude to Prof. Prabhat Kumar Singh (Head, Department of Civil Engineering, IIT (BHU), Varanasi for providing me with all the necessary facilities and support required for research.

I am thankful to my Research Progress Evaluation Committee (RPEC) members Dr. Medha Jha, and Prof. Subir Das for their cooperation and giving suggestions in improvement of my research work.

My heartfelt and sincere thanks to Er. Ramesh Singh, Ret. Chief Engineer (UP Jal Nigam) and visiting faculty of Department of Civil Engineering, IIT(BHU), Varanasi for giving me his valuable time, suggestions, motivation and guidance in completing this work. I am also thankful to Dr. Bola Nath Singhand, Dr. Janardan Singh for helping me during my work.

I am thankful to Mr. Akhilesh Kumar, Mr. Manish Ranjan, Ms. Sonali Saxena, Mr. Abhijit Debnath and Mr. Yogesh Kumar of IIT(BHU), Varanasi for their help and support at different stages of my work. I am also thankful to Mr. Ravikant Dubey for his unsolicited help.

I should also acknowledge the help and moral support especially Prof. Shashank Mondal, Dr. Pabitra Ranjan Maiti, Dr. Shishir Gaur, and Dr. P. Balaramudu.

It will never be possible for me to pay for the sacrifices of my parents who always supported me to go in for higher studies and contribute to society. I am also thankful to

my brother Mr. Anand Prakash Singh and my elder sister Mrs. Abha Maurya for their constant support and love.

Last but not the least; I thank the Almighty God for his blessings without which this research could not be achieved.
