

ACKNOWLEDGEMENTS

This is truly said that origin of opportunity in person's life does not come by luck always; it depends on company of people who always encourage for doing something new. This thesis is the result of continuous hard work during which I have been accompanied and supported by many. I wish to thank, first and foremost, **Lord Shiva** for giving me this opportunity that I can extend my deepest gratitude to all people who have helped and guided me throughout the period of my research. I would like to pay my tribute to **Mahamana Pt. Madan Mohan Malaviya**, the founder of Banaras Hindu University for creating such a temple of knowledge that fulfills the dreams of thousands of students for bright future.

I would like to express my heartfelt gratitude to my supervisor **Prof. Sairam Krishnamurthy** for his valuable guidance and stimulating suggestions throughout the period of my research. I am indebted to him for encouraging my research and for allowing me to grow as a researcher. His inspiring and excellent guidance is the key reason that I could successfully finish each of the research objectives. I thank him for the freedom of thought, trust and expression which he bestowed upon me. Without his guidance as a great mentor, this work would not have been possible.

I am grateful to **Prof. S.K. Shrivastava**, Head, Department of Pharmaceutical Engineering & Technology, Indian Institute of Technology (Banaras Hindu University) and **Prof. Sanjay Singh** (Former Head) for kindly allowing me to utilize the research facilities available in the department and for their suggestions and support during the course of my study.

I owe my deepest gratitude to my respected research progress evaluation committee (RPEC) members **Prof. S.H. Hasan** and **Dr. P.K. Nayak**, for their kind co-operation during the course of thesis work.

I want to express my sincere gratitude to all the teachers of the department **Prof. S.K. Singh, Prof. B. Mishra, Prof. S. Hemalatha, Dr. A. K. Srivastava, Dr. Senthil Raja A., Dr. A. N. Sahu, Dr. Ruchi Chawla, Dr. M.S. Muthu, Dr. S. K. Mishra, Dr. G.P. Modi, Dr. A. K. Maurya, Dr. S.K. Jain, Dr. Vinod Tiwari** and **Dr. A.K. Agrawal** for their encouragement, invaluable suggestions and streamline support.

I would like to thank **Prof. S.K. Trigun** and **Dr. L.P. Chandravanshi** for helping in histology experiments at Department of Zoology, Institute of Science, Banaras Hindu University. I also wish to express thankfulness to **Prof. Rajeev Prakash**, Professor In charge, Central Instrument Facility Centre and his team members for providing the characterization facilities on time for smooth completion of thesis work.

I want to thank **Indian Institute of Technology (Banaras Hindu University)** for providing me the financial support in the form of teaching assistantship to conduct research work.

It gives me great pleasure in acknowledging the support of my respected seniors and lab mates **Dr. Debapriya Garabadu, Dr. Puneet K. Samaiya, Mr. Pankaj Paliwal, Mr. Sukesh K. Gupta, Mr. Santosh K. Prajapati, Mr. Qadir Alam, Mr. Ramakrishna Kakarla, Ms. Prabha Rajput, Ms. Pratigya Tripathi, Ms. Shreyasi Majumdar** and **Ms. Smriti Gupta** for their stimulating discussions and brilliant suggestions. Special thanks to my juniors **Kapil, Anupam, Kamal,**

Jaidev, Siddhartha, Arghya, Manoj and Durga Prasad for their never ending affection and support. I share the credit of my work with all of them for giving me helping hands and incited me to strive towards my goal. This thesis would not have been possible without the constant motivation and co-operation of my friends **Meena, Suruchi, Deepshikha, Preeti, Ekta, Neera and Sumedha**. I thank them for letting my research be an enjoyable moment. I would like to express my gratitude to all my beloved friends across the globe for sharing my happy and sorrow moments at all times.

With profound sense of gratitude, I place on record my sincere thanks to **Mr. Nand Lal, Mr. Rafique Ahmad, Mr. Atul K. Gupta, Mr. Yashwant Singh, Mr. Anand Kumar, Mrs. Archana Singh, Ms. Shyamali Ghosal, Mr. Madan Lal, Mr. Virendra Kumar, Mr. Arun Kumar, Mr. Jameel, Mr. Upadhyay, Mr. Pathak, Mr. Ram Jiyawan, Mr. Surya Pratap Singh, Mr. Chotelal** and all other non-teaching staff of the department for providing me the research requirements on time to complete the thesis work smoothly.

I would like to bow my head in front of my parents **Mr. Hari Shankar Mishra** and **Mrs. Narvada Mishra** for their irreversible blessings and unconditional support at every step of my life. I can never forget my siblings **Anurag** and **Aparna** whose boundless love and constant motivation has provided me encouragement to fulfill my goals. Words cannot express how grateful I am to my family members for all the sacrifices that they have made on my behalf. I am indebted to them for their uncountable contribution towards my career.

My efforts will remain incomplete if I don't express my deep gratitude to innocent animals who sacrificed their life for the sake of humanity. I pray to Almighty for their soul to rest in peace.

Lastly, I want to thank all of those, whom I may not be able to mention individually, for helping me directly or indirectly.
