

## Acknowledgement

I express my sincere gratitude and indebtedness to my research supervisor *Dr. Shail Upadhyay*, Department of Physics, Indian Institute of Technology (Banaras Hindu University) for her valuable guidance, encouragement and help throughout the tenure of this research work. I am incredibly grateful to her for her keen interest in the investigation and the academic support. In the course time, she motivated, inspired and extended the necessary educational assistance in carrying out my research work. In spite of her busy schedule, she participated in each minute details of my progress of work and shared my pleasures and anxieties as well on the research findings.

I am grateful to my RPEC members, *Prof. S. Chatterji* Department of Physics and *Prof. Devendra Kumar*, Department of Ceramic Engineering, Indian Institute of Technology (Banaras Hindu University) for their guidance. In the entire research tenure, their valuable discussions and encouragement helped this journey to a fruitful end.

I am immensely rejoiced to owe my deep sense of gratitude to *Prof. B. N. Dwivedi*, *Prof. O. N. Singh*, *Prof. D. Giri*, *Prof. R. Prasad*, *Dr. P. C. Pandey*, *Dr. A. Mohan*, *Dr. Saurabh Tripathi* and *Dr. Sunil Singh* for their constant encouragement during research work. I am grateful to *Dr. P. K. Savarkar*, SFS College Nagpur for their valuable suggestion and cooperation in the preparation of my thesis. I am thankful to, *Prof. P. Singh* Head, Department of Physics, for providing me all the facilities available in the department during my research work.

I am grateful to the, Head Department of Pharmaceutics, Coordinator, Central Instrument Facility Center (CIFC), IIT(BHU) Varanasi, *Prof. Anushree Roy* IIT Kharagpur, and Coordinator ACME IIT Kanpur for providing the experimental facilities required for the characterization of the synthesized samples.

I am also thankful to all non-teaching staff of the Department of Physics for their kind cooperation. I wish to express my sincere gratitude to all those who have extended their helping hands in various ways during my tenure at Indian Institute of Technology (Banaras Hindu University), Varanasi, India.

In the last but not least I am very thankful to my lab mate and friends – *Dharmendra Yadav*, *Gurudeo Nirala*, *Md. Jawed Ansaree*, *Vishnu Vijayakumar*, *Prince Gupta*, *Vani Pawar*, *Pinkhi Singh*, *Sathi Das*, *Abhishek Kumar*, *Pravin Kumar*, *Abhishek Singh*, *Subhashish Tiwari*,

Neha Kanaujiya, Anukul Thakur, Ravi Kant, Amit Choudhary, Ranjeet Kaushal, Vikash Singh, Arkadeb Pal, Ajeet Kumar, Akshay Kumar and Vishwajeet, for providing company during the Ph.D. research work.
