It gives me immense pleasure to get an opportunity to express my heartfelt gratitude towards my respected supervisor, **Dr. Shail Upadhyay**, Department of Physics, Indian Institute of Technology (Banaras Hindu University) for her valuable guidance, encouragement and help throughout the tenure of this research work. I am incredibly grateful to her for her keen interest in the investigation and the academic support. In the course time, she motivated, inspired and extended the necessary educational assistance in carrying out my research work. In spite of her busy schedule, she participated in each minute details of my progress of work and shared my pleasures and anxieties as well on the research findings.

I would like to sincerely thank to my RPEC members, *Dr. S. Tripathi* Department of Physics and *Prof. Devendra Kumar*, Department of Ceramic Engineering, Indian Institute of Technology (Banaras Hindu University) for their guidance. In the entire research tenure, their valuable discussions and encouragement helped this journey to a fruitful end.

I express my gratitude to *Prof. B. N. Dwivedi*, *Prof. O. N. Singh*, *Prof. D. Giri*, *Prof. R. Prasad*, *Dr. P. C. Pandey*, *Dr. A. Mohan* *Dr. A.K. Tripathi* and *Dr. Sunil Singh* for their constant encouragement during research work. I am thankful to *Prof. P. Singh* Head, Department of Physics, for providing me all the facilities available in the department during my research work.

I am grateful to the Head Department of Pharmaceutics, Coordinator, Central Instrument Facility Center (CIFC), IIT(BHU) Varanasi, Prof. Anushree Roy IIT Kharagpur and Coordinator ACMS IIT Kanpur for providing the experimental facilities required for the characterization of the synthesized samples.

I am also thankful to all non-teaching staff of the Department of Physics for their kind cooperation. I wish to express my sincere gratitude to all those who have extended their helping hands in various ways during my tenure at Indian Institute of Technology (Banaras Hindu University), Varanasi, India.

The cooperation, moral support and constant motivation which I have always received from my friends can not be expressed in words and I feel lucky to be blessed with such wonderful friends.

I would also like to acknowledge the funding agency MHRD of Government of India for financial assistant in various forms.

In the last but not least I am very thankful to my lab mate and friends – Gurudeo Nirala, Upendra Kumar, Md. Jawed Ansaree, Vishnu Vijayakumar, Dr. Pravin Kumar, Onkarnath
