

# **An Experimental Investigation and Analysis of Vibration of a Variable Speed Motor Mounted Centrifugal Blower Supported on Steel Base Frame Structure Foundation - A Case Study**

Thesis submitted in partial fulfillment

For the Award of Degree

**Doctor of Philosophy**

**By**

**Rana Dutta**

Under the supervision of

Prof J P Dwivedi (Supervisor) Prof V P Singh (Co Supervisor)

Mr Abhijit Ghosh(External supervisor)

**Department of Mechanical Engineering**

**Indian Institute of Technology**

**(Banaras Hindu University)**

**Varanasi -221005**

**Roll No: 11606EN005**

**2018**

**Enrolment No: 342211**
