

ACKNOWLEDGEMENTS

First and foremost, I would like to express my gratitude to my enthusiastic supervisor *Professor Sanjay Kumar Pandey*, Department of Mathematical Sciences, Indian Institute of Technology (Banaras Hindu University), Varanasi for his inspiring guidance, constructive suggestions and fruitful criticism which helped me to blossom and flourish further. This made me really indebted.

I owe a deep sense of gratitude to the Research Progress Evaluation Committee members *Professor L. P. Singh* (Mathematical Sciences) and *Professor A. K. Ray* (Biomedical Engineering) for their valuable guidance and suggestions all along the journey of my research.

I further express my sincere gratefulness to the HoD, *Professor T. Som*, previous Heads *Professors (Ms.) Rekha Srivastava. Late O. P. Singh and L. P. Singh*, Convener DPGC, *Professor S. K. Upadhyay*. Thanks are also due to all other faculty members and the office staff of the Department, who helped me at different stages of the long journey.

My co-researchers *Dr. S. K. Tiwari, Mr. Jagdish, Mr. Subhash and Mr. Ajay* deserve a special mention and thanks for their cooperation in achieving my goal.

I heartily thank the Principal of my college, *Dr. D. P. Mishra* for his encouragement and sanctioning me leave at the crucial stage of submitting thesis.

I must acknowledge the University Grant Commission, New Delhi for the financial support in terms of fellowship and contingency grant for my research work. This help has made me immensely grateful to this organization of Govt. of India.

This is a proud moment for me to express my deep sense of respect and sincere gratitude to my mother for her divine love, care and blessings to accomplish this cherished project. Last but not the least, I must mention my unrepayable indebtedness to my beloved wife *Neha* and the younger brother *Akhilshwar* for the sacrifices they made for me. Finally, I take immense pleasure to give my affection and thanks to my beloved daughter *Anshi* whose birth offers me this gift. .
