

ACKNOWLEDGEMENT

Foremost, I would like to express my sincere gratitude to my supervisor, **Prof. Vandana Srivastava**, for her continuous support during my Ph.D. programme. Her consistent guidance, immaculate scrutiny and constant motivation throughout my work encouraged and inspired me to grow as a scholar. Her boundless enthusiasm, patience and immense knowledge of the subject are qualities that I always aspire to achieve in my life too. I also acknowledge the valuable help of many people without whom this endeavor would not have been successful.

I would like to thank my co-Supervisor **Dr. Sundaram Singh**, Department of Chemistry, IIT (BHU), Varanasi, for her valuable suggestions, constant source of support and encouragement.

I wish to avail this opportunity to express my deep gratefulness to the present Head of Department, **Prof. D. Tiwary** and former heads, **Prof. Rashmi Bala Rastogi**, for providing the required lab facilities and a congenial working atmosphere in the department.

I would also like to thank my RPEC members, **Dr. Sundaram Singh**, (Co-supervisor), **Prof. Rashmi Bala Rastogi** (Internal subject expert) and **Prof. V. L. Yadav** (External subject expert) for their valuable suggestions throughout this work. I am greatly thankful to **Dr. Indrajit Sinha** for valuable suggestions and discussions throughout my research work.

I am highly indebted to the Department of Chemistry, IIT (BHU) for IR, NMR and Central Instrumentation Facility, IIT (BHU) for providing instrumental facilities. I also wish to thank all the non-teaching staff of our department for their cooperation and timely help.

I ardently thank my senior, Dr. Ankush Mishra and lab members, Swati Chauhan, Dr. Jiyaul Haque, Mohammed Salman, Khushbu Rajput, Vishal Singh for their kind support and encouragement. Many thanks to my fellow batchmates, Dr. Sunil Kumar, Adesh Kumar, Atendra Kumar, Dinesh Kumar Verma, Ankita Ojha, Shwarnima Singh, Shaili Pal and Daraksha Bano for all the fun we have had in the last five and half years. I also duly acknowledge the collaborative help of Dr. Alka Verma and Kavita Gupta in my research work. I am also very thankful to my roommates Pragati Singh, Rucha Deshpande, Binita Prakash, Dr. Situ Rani and Dr. Ekta Goel, for always listening to me at times of need.

Words are not enough to express my deepest hearty wishes to my most respected mother (**Mrs. Savita Devi**), father (**Mr. Rajendra Prasad**), sister (**Dr. Pratima**), jija ji (**Dr. Padeep Kumar**), brother (**Kapil Kumar**) and bhabhi (**Pragati**).

I am heartily grateful to Chote Lal Yadav, Dr. Narendra Verma, Dr. Krishan Kumar Manar and his wife Archana Manar, Dr. Pooja Gautam, Dr. Pawan Kumar for their unconditional love, care and moral support during my research period.

Friends are always special. I take this opportunity to thank my amazing friend Anamika and Richa for all her efforts and timely help.

My special thanks to 'corona warriors' for their undiluted courage, selflessness, determination and focus for ensuring that India remains on track in these difficult times.

I take this opportunity to register my sincere thanks to Department of Chemistry, Indian Institute of Technology (BHU) & CSIR New Delhi for research fellowship and valuable pecuniary support.

Pratibha Verma
