

List of Tables

Table No.	Table Caption	Page No.
Table 3.1	Time and frequency domain features during traction in the sitting position	37
Table 3.2	Time and frequency domain features during traction in the sitting position	40
Table 4.1	Time and frequency domain features between during traction in the sitting position	51
Table 4.2	Significance test of time and frequency features of neck pain patients	54
Table 4.3	Time and frequency domain features between during traction of spondylosis patients	55
Table 4.4	Significance test of time and frequency features of spondylosis patients	58
Table 5.1	Time and frequency features of various subjects	66
Table 6.1	Time and frequency domain features between during traction in the sitting position	77
Table 6.2	Classification of support vector machine and complex tree	79
