Preface	
CHAPTER1: Introduction.....	1-5
CHAPTER2: Literature review.....	6-27
CHAPTER3: Materials and Methods.....	28-61
CHAPTER4: Synthesis of reduced graphene oxide-lotus like structured ZnO nanocomposites for photocatalytic application.....	62-92
CHAPTER5: Synthesis of reduced graphene oxide- columnar like structured ZnO nanocomposites and their photocatalytic performance with Natural Dye.....	93-118
CHAPTER6: Studies the optical and dielectric behaviour of Hexagonal plate like ZnO nanoceramic.....	119-162
CHAPTER7: Conclusions.....	163-165
References	166-181
List of publications.....	182-183
Appendix	184-191
