

ACKNOWLEDGEMENTS

The completion of the work for this thesis represents the opportunity to remember numerous individuals who has influenced my attitude towards PhD studies. I would like to acknowledge my debt to my professors, family and friends.

First and foremost, I would like to express my immense gratitude to my supervisor **Dr. R. K. Saket**, who has not only given me a platform to work on my favorite research topic but also through his sheer dedication, patience, stimulating suggestions and serene discussions, motivated me to improve my work and come up with different ideas. The completion of this thesis would not be possible without his guidance and persistent help during my research work. His fatherly nature is the source of my inspiration and was the driving force that keeps me always on track to achieve my goal. Thanks sir! for making my life meaningful on this planet.

My profound gratitude to **Prof. R. Mahanty**, Head of Department of Electrical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi for providing effective management, necessary facilities and valuable suggestions for success of this work. I am highly indebted to **Prof. S. C. Gupta**, Department of Electrical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi for his valuable suggestion to complete this thesis work. I would also like to thank all the faculty members, Systems Engineering Lab members **Mr. Ajay Kishore Yadav**, **Mr. Satish Kumar Singh** and the librarians for their kind cooperation and encouragement during the course of the work.

I would like to express my special thanks to **Mr. Om Prakash Bharti**, **Mr. Vipin Kumar**, **Mr. Shekhar Yadav** and **Mr. Santosh Kumar Verma**, for giving me continuous support and for creating a friendly and happy environment needed for completing this research work. I wish to extend my acknowledgement to my senior colleagues **Dr. Lokesh Varshney**, **Mr. Deepak Kumar** and **Mr. Ashutosh Srivastava** for their valuable assistance.

Finally, I wish to thank my parents (**Mrs. Jayanti Devi & Mr. Krishna Kumar Gupta**) and Uncle (**Mr. Arun Kumar Gupta**). I wish to express indebtedness to them, for their unconditional love, extreme patience and constant supports over the years. From the core of my heart, I dedicate this thesis to my parents.
