

Appendix C

Solar Energy conversion system

Table C.1 Nameplate Rating of Solar Panel.

| Parameter | Specification |
|-----------------------------------|---------------|
| Maximum power | 50 W |
| Voltage at max. power | 17.7 V |
| Current at max. power | 2.83 A |
| Open circuit voltage | 20.5 V |
| Short circuit current | 3.28 A |
| Normal operating cell temperature | 450 C |
| No of solar module in series | 2 |
