

ACKNOWLEDGEMENTS

First and foremost, I would like to thank God for giving me the strength, knowledge, ability and opportunity to undertake this research and complete it satisfactorily. without his blessings, this achievement would have not been possible.

I wish to express my deep gratitude and sincere regards to my supervisor Dr. Kishor P. Sarawadekar for his valuable guidance, encouragement and support implementing my ideas. His guidance helped me all the time, not only during research and writing of thesis but also in leading a better life. His knowledge, kindness, patience, open-mindedness and vision have definitely provided me with lifetime benefits.

Besides my supervisor, I would like to earnestly thank the rest of my Research Progress Evaluation Committee members – Dr. Amritanshu Pandey and Dr. Ravindranath Chowdary C. I would like to thank and express my deep gratitude to Prof. S. P. Singh for his blessings. His insightful comments and suggestions have always been very helpful and illuminating. I wish to owe special thanks to Prof. V. N. Mishra and Prof. S. Jit for their direct and indirect support. My sincere thanks to Dr. K. V. Srinivas, former Assistant Professors of ECE Department, IIT(BHU) for extending his support during this research work.
