

# Acknowledgments

First of all, we are grateful for the opportunity to write this thesis, which will be the end of a five year journey towards a degree.

Though, only my name appears on the cover of this dissertation, so many great people have contributed to its production. I owe my gratitude to all those people who have made this thesis possible and because of whom my post graduate experience has been one that I will cherish forever.

I take this opportunity to express my profound gratitude and deep regards to my supervisor **Prof. (Head) Devender Singh**, Electrical Engineering Department, IIT(BHU), Varanasi for their exemplary guidance, monitoring and constant encouragement throughout the course of this dissertation.

I want to express my deepest gratitude to **Prof. Rakesh Kumar Misra**, who supported me throughout my thesis work. I am grateful to **Mr. Abhishek Kumar**, who provided me technical, moral and emotional support during my research program.

A very special gratitude goes out to my colleagues and friends with special mention to **Mr. Amit Singh, Mr. Basant Kumar Sethi, Mr. Sachin Kumar, Mr. Rahul Singh, Mr. Manish Kumar Mandal and Ms. Arpita Roy**.

Finally, I would like to thank my mother **Sunita Jha**, my elder brother **Nitesh Jha** and my better half **Khusbu Rajhans** for always standing by me through both the good times and the bad.
