

ACKNOWLEDGEMENT

The completion of the work for this thesis represents the opportunity to remember numerous individuals who has influenced my attitude towards PhD studies. I would like to acknowledge my debt to my professors, family and friends.

First and foremost, I would like to express my immense gratitude to my supervisor **Prof. (Dr.) M.K.Verma**, who has not only given me platform to work on my favourite research topic but also through his sheer dedication, patience, stimulating suggestions and serene discussions, motivated me to improve my work and come up with different ideas. The completion of this thesis would not be possible without his guidance and persistent help during my research work. His fatherly nature is the source of my inspiration and was driving force that keeps me always on track to achieve my goal. Thanks sir! For making my life meaningful on this planet.

My profound gratitude to **Prof. (Dr.) D. Singh**, Head of Department of Electrical Engineering, Indian Institute of Technology (Banaras Hindu University), Varanasi for providing effective management, necessary facilities and valuable suggestions for success of this work. I would also like to thank all the faculty members, Power Systems Engineering Lab members for their kind cooperation and encouragement during the course of the work.

I would like to express my special thanks to faculty **Dr. Suman Bhullar**, EIED, Thapar University, Patiala, Punjab for giving me continuous support, guidance and her persistent help during my research work. I also would like to express my special thanks to my colleagues for creating a friendly and happy environment needed for completing this research work. I wish to extend my acknowledgement to my senior colleagues for their valuable assistance.

Finally, I wish to thank my parents (**Late Sh. Dhanendra Kr. Jain and Anita Jain**) and sisters (**Priyanka Jain and Shalini Jain**) along with brother-in-law's (**Sh. Rahul Jain and Sh. Ashutosh Thakur**). I wish to express indebtedness to them, for their unconditional love, extreme patience, and constant supports over the years. From the core of my heart, I dedicate this thesis to my parents.

Date: 27/11/2019
