

ACKNOWLEDGEMENT

Joys on successful completion is always cherishing and everlasting. It gives the feeling of completeness on looking back over the journey and remembering all those friends and family who have helped and supported me along this long but fulfilling path. I owe my gratitude to the almighty 'Lord Shiva' for blessings and making things all right in place. **Bharat Ratna Mahamana Pandit Madan Mohan Malaviya Ji**, Founder of BHU for providing me such a divine platform.

At this moment of accomplishment, firstly of all, I pay homage to my Ph.D supervisor **Prof. Sairam Krishnamurthy**, Professor of Pharmacology, for giving me an opportunity to work in the field of neuropharmacology, the research area I love to work with; I am also grateful to him for grooming me not only to conduct independent research but also for acquainting me with other areas affiliated with scientific pursuits. His wide knowledge and logical way of thinking have been a great value for me. This work would not have been possible without his guidance, support and encouragement. Under his guidance. I successfully overcame many difficulties and learned a lot. His unflinching courage and conviction will always inspire me, and I hope to continue to work with his noble thoughts.

I owe my deepest gratitude to **Dr. Manoj Kumar Meshram**, Microwave Labs, Electronics department, IIT (BHU) for providing electromagnetic radiation setup. I am grateful to him for his constant guidance and cooperation for successful completion of the thesis.

I thank my research progress evaluation committee members, **Dr. P.K. Nayak**, Department of Pharmaceutical Engineering and Technology and **Prof. S.H. Hasan**, Department of Chemistry for their valuable suggestions and comments during my PhD tenure.

I thank to **Prof. Sushant Kumar Shrivastava** (Head of the Department) for allowing me to use the facilities in the department to carry out the research activities.

It is my extreme privilege to gratuitously convey my special thanks to all the faculty members of the Department, *Prof. B. Mishra, Prof. Sushil Kumar Singh, Prof. Sushant Kumar Shrivastava, Mr. A.K. Srivastava, Prof. S. Hemlatha, Dr. Senthil Raja, Dr. A.N. Sahu, Dr. S.K. Mishra, Dr. Ruchi Chawla, Dr. Ashok Kumar Maurya, Dr. M.S. Muthu, Dr. G.P. Modi, Dr. P.K. Nayak, Dr. Vinod Tiwari, Dr. S.K. Jain and Dr. A.K. Agrawal* for their kind cooperation and valuable suggestions throughout the research work.

I warmly thanks to *Prof. Mahendra Kumar Thakur*, Former Head, Department of Zoology, BHU for providing PCR and Western blot facility. I would also like to express my thanks to *Prof. Shio Kumar Singh*, Department of Zoology, BHU for providing microtome for tissue sectioning. I gratefully acknowledge *Dr. Munendra Singh Tomer* of School of biomedical Engineering, IIT-BHU, Varanasi for helping me in carrying out Flow cytometry.

My sincere thanks to *Mr. Ram Jiyawan, Mr. Yashwant Singh, Mr. Chotelal, Mr. Virendra Kumar, Mr. Nandlal, Mr. Madanlal, Mr. Ram Hriday Pathak, Mr. Akhila Nand Upadhyay, Mr. Arun Kumar, Mr. Md. Jameel, Mr. Sunil Kumar Singh* and all other non teaching staff of the department who had provided me all the necessary support while needed.

I thanks to my labmates, *Dr. Dhananjay, Pankaj, Akanksha, Santosh, Ramakrishna, Qadir, Prabha, Pratigya, Shreyashi, Smriti, Kamal, Anupam, Jaidev*, for stimulating discussions, for the sleepless nights we were working together before deadlines, and for all the fun we have had in the last five years. I would also like to express my gratitude for all those who supported me directly or indirectly for the study.

I would also like to thank, *Dr. Debapriya* and *Dr. Punit* for his cooperation during my Ph.D period. A special thanks to *Madhusudan* for his assistance during my experimental work.

I beg a deep level of forgiveness from the rat that was sacrificed during my experimental work.

Words cannot express my gratitude for my family: My mother, *Mrs. Rajmati Devi* and Father, *Mr. Bhukhal Sah* for supporting me spiritually throughout writing this thesis and my life in general. Finally, and most importantly, I would like to thank my wife *Ruchi*. Her support, encouragement, quiet patience and unwavering love were undeniably the bedrock upon which the past 2.5 years of my life have been built. Her tolerance of my occasional altered moods is a testament in itself of her unyielding devotion and love.

Finally, I am highly indebted to the almighty for showering immense blessing in gifting me my beloved parents, family and friends.
