

ACKNOWLEDGMENTS

At this moment of accomplishment, I would like to express my deepest gratitude to one and all who have directly or indirectly contributed during my research work through their invaluable knowledge, guidance, experience, discussion, encouragement, motivation, kindness and support. Deprived of this I can't believe I would have crossed the milestone.

*First of all, I would like to express my warmest gratitude to my mentor, **Prof. R. B. Rastogi**, I am thankful for her invaluable support and continuous encouragement throughout this journey. It was a great pleasure to do my research work under her supervision. Her knowledge, expertise, and understanding helped me to improve my research work. I am also thankful for her constant assistance and guidance for improving my writing and presentations by means of discussions, suggestions and ideas, which will be helpful in my future career.*

*I express my deep sense of gratitude to Head of Department of Chemistry, **Prof. D. Tiwari** for providing all the research facilities in the Department to achieve my research work successfully.*

*I am grateful to my RPEC members, **Prof. Rajesh Kumar**, Department of mechanical engineering and **Prof. Vandana Shrivastava**, Department of Chemistry, for their intuitive remarks and inspiration.*

*I also take this opportunity to express my thanks to **Prof. K. D. Mandal**, **Dr. I. Sinha**, **Dr. M. Malviya**, **Dr. Arindam Indra**, and all other faculty members of the Department of Chemistry, IIT (BHU), for their assistance and motivation.*

I acknowledge with thanks to all the members of the central instrumentation facility center (CIFC). I also like to thank all the office staff of the Department of Chemistry, for their service and care.

*I am obliged to my senior, **Dinesh K, Verma**, for his fruitful, active discussions and valuable suggestions in my both personal and professional life. I spread my deepest thanks and appreciation to my labmates **Kavita, Nivedita Shukla, Alok K, Singh** for their promising dialogues and for all the fun we have had in the lab, which made this journey joyful.*

*I would love to express my sincere thankfulness to all my batchmates specially **Vinod Kumar, Jyoti Kuntail, Tania Roy, Manish K, Verma** for being with me and making pleased and unforgettable instants of joy and troubles at IIT (BHU), Varanasi.*

*I would also like to express my thanks to **Subhash Chandra, Ved Vyas, Atendra Kumar** and all other research scholars of the department for their help and support.*

*Words are not adequate to express my unpretentious thanks to my loving mother; **Malti Devi** and caring father, **Makhan Lal** for having faith in me, for being so persistent whilst, I chased my expedition for the advanced learning. The solid assistances of my parents and grandparents (**Kheladi** and **Keshpati**) not solitary helped untie the great ambiguities of my life but also enhanced my enthusiasm for the action potential required for this work,*

*I would love to express thanks towards my sisters and brother **Saurabh Diwagar** for his love and care.*

I gratefully acknowledge UGC, New Delhi for providing financial assistance in the form of junior research fellowship (JRF) and senior research fellowship (SRF).

I also wish to express thanks to each and every person whose names are mistakenly not cited on this slice of paper for their direct or indirect support. Above all, I pay my whole and sole regards to God Almighty for giving me so much positive energy at my struggling time and showing me the golden lining in the dark clouds.

Bharat Kumar
