

ACKNOWLEDGEMENTS

Though words are seldom sufficient to express gratitude and feelings, it gives me an opportunity to acknowledge those who helped me during the course of my study.

*First of all, I bow with reverence to thank the **ALMIGHTY** who has enriched me with such a golden opportunity and infused the power in my mind to fulfill the task assigned to me.*

*It is definitely a pleasing privilege for me to express my insightful gratefulness to **Mahamana Pandit Madan Mohan Malviya ji**, founder of this beautiful temple, Banaras Hindu University and whose creation of this serene varsity gave me a perfect environment and facility to carry out this research work during my education.*

*I wish to express my deepest gratitude and indebtedness to my revered supervisor **Dr. Sushil Kumar Singh**, Professor and Head, Department of Pharmaceutics, Indian Institute of Technology (Banaras Hindu University), Varanasi, for his constant support, kind encouragement, immensely valuable ideas, suggestions and for having an unwavering attention. I have been amazingly fortunate to have a supervisor who gave me the freedom to explore on my own and at the same time the guidance to recover when my steps faltered. I shall remain indebted to him for his confidence in my work and most importantly for his kind affection during my Doctoral research. Simply his contribution is beyond the preview of acknowledgements and I feel very much honored and it has been a real privilege for me to get an opportunity to work under him, a teacher par excellence.*

*I render my sincere thanks to **Prof. B. Mishra**, Former-Head, Dept. of Pharmaceutics, for giving me an opportunity to become a scholar of this esteemed department and for providing necessary amenities required for my research work.*

*I acknowledge my Research Progress Committee (RPC) members, **Prof. R. S. Srivastava**, Internal Subject Expert and Ex-Head, Dept. of Pharmaceutics; **Dr. Senthil Raja**, Internal Subject Expert and **Prof. S. H. Hasan**, External Subject Expert, Department of Applied Chemistry, IIT-BHU.*

*I am indeed obliged and sincerely thankful to **Prof. Gopal Nath**, Department of Microbiology, Institute of Medical Sciences, Banaras Hindu University, Varanasi, India, for allowing me to work in their labs for antimicrobial activities of my synthesized compounds.*

*I express my cordial thanks to **Dr. Pritha Ray**, Assistant Professor, Advanced Centre for Treatment, Research and Education in Cancer (ACTREC), Tata Memorial Centre, Navi Mumbai for their timely help towards in-vitro anticancer studies of my synthesized compounds.*

*I would also like to convey my regards and thanks to **Prof. Gopeshwar Narayan**, Molecular Human Genetics, Faculty of Science, BHU, Varanasi for allowing me to work in his laboratory to carry out in-vitro studies on cell culture.*

*It is indeed a pleasure to express my regards to **Dr. Md. Sohail Akhtar**, Molecular and Structural biology division, Central Drug Research Institute (CSIR-CDRI), Lucknow for rendering me permission to work in the Molecular biology laboratory to carryout in-vitro studies.*

*I would like convey sincere thanks to **Dr. Timir Tripathi**, Department of Biochemistry, North East Hill University, Shillong, India for carryout the fluorescence spectroscopy and DNA binding studies.*

*I wish to express deep regards to all the teachers of the department **Prof. R. S. Srivastava, Prof. Sanjay Singh, Prof. S. K. Srivastava, Dr. K. Sairam, Mr. A. K. Srivastava, Dr. (Mrs.) Hemalatha, Dr. Vikas Kumar, Dr. Senthil Raja, Dr. Ashok Kumar, Mr. A. N. Sahu, Dr. S. K. Mishra, Dr. Ruchi Chawla, Dr. M.S. Muthu, Dr. P. Nayak and Dr. Gyan Modi** for their kind cooperation at all moments during the progress of my research.*

I am grateful to the Head, Department of Chemistry, Faculty of Science, Banaras Hindu University, Varanasi, India for ^1H & ^{13}C NMR spectroscopic analysis and Head, Sophisticated Analytical Instrument Facility (SAIF), Central Drug Research Institute (CDRI), Lucknow for ^1H and Mass spectroscopy.

I gratefully acknowledge University Grant Commission (UGC), Indian Institute of Technology (BHU) and Indian Council of Medical Research (ICMR), New Delhi for providing financial assistance in the form of Senior Research Fellowship (SRF) to carry out the research work,

My heartfelt thanks to all my teachers right from school until now and all my well-wishers for their constant encouragement and wishes for my career. I also extend my thanks to all those, who have been directly or indirectly related to my project work,

*I am grateful for time spent with my lab members, **Dileep Kumar, Satheesh Kumar, Devendra Kumar, Srabanti Jana, Gopichand Gutti and Ravindary**. I would also like to extend huge, warm thanks to my collaborative friends **Mr. Mayank Gangwar, Ms. Arusha Modi and Mr. Bhushan Thakur** for their constant support and help in carrying out the experiments.*

*I would also like to thank some people from early days of my research tenure. **Dr. Sanjay Bharti, Dr. Chinnadurai Saravanan, Dr. Shubhanjali Shukla, Dr. Pramila Chaubey, Dr. Madhusmita***

Mishra, Dr Amit Mishra were among those who kept me going at the beginning. I am indebted to my colleagues for providing a stimulating and fun filled environment. My thanks go in particular to *Mr. Sandeep chaurasia, Mr. Gopal Rai, Mr. Anshul Shakya, Mr. Sanjay Singh and Mr. Vijaykumar*. I owe a lot to *Sandeep* for his tender help during my stay. I want to express my heartfelt gratitude to *Mr. Anupam Banerjee, Mr. Nirupam Das, Ms Priyanka Kumari, Deepali Pandey, Mousami Besan* and all other Ph.D. scholars for their co-operation and making my stay in the Varanasi as memorable as we had wonderful time together.

I feel great pleasure to thanks all the nonteaching staff especially *Nand Lal ji, Arun ji, Zameel ji, Pathak ji, Upadhyay ji, Sanjeev ji, Ram Jiyawan ji, Yeshwant ji, Gopal ji* and other members for their support and help during my research work.

My parents have been a strong pillar of support for me and my research wouldn't have seen the days light without their constant motivation. I owe them a lot. Thanks to *my mother* for being my rock and helping me in touch with reality throughout the life. Special Thanks to *my father* for letting me do it 'my way' and for encouraging and inspiring me to reach my dreams. I would also take this opportunity to thank *my in-laws* for their blessings and encouragement in my all aspects of life.

Words fail to express my immense appreciation for my loving husband *Dr. Sudhir Kumar Singh*, who has been a constant source of priceless love, moral motivation and emotional support to me. His endless support in carrying out the experimental work and valuable suggestions and constant discussion regarding my meaningful molecular biology scientific research contributed immensely in shaping my thesis. God has blessed me with an angel *Chestha*, my daughter, who has always filled my heart with bundle of joys and even light up brighter than I ever thought possible.

I must express my gratitude to my sisters *Ankita* and *Upasana* and my brother *Tushar* and his wife *Manisha* for their continued support and stand beside me like a pillar; whose love and encouragement allowed me to finish this tough journey.

Finally, I would like to thank everybody who was important in the successful realization of this thesis, as well as expressing my apology that I could not mention them personally one by one.
