

ACKNOWLEDGEMENT

*I bow my head with great reverence in the pious feet to the founder of this University, **Late Mahamana Pandit Madan Mohan Malviya** a man of great vision for creating such a wonderful and unique University, a temple of learning for thousands of students like me.*

*I bow my head before the feet of the “**Lord Shiva**”, the Almighty due to whose blessings I could be able to reach at this stage and feel anything in this earth could be possible only with the blessings of this invisible but omnipresent supreme force.*

*I deem it to be a rare opportunity and the proudest privilege of my life to express my profound sense of gratitude, sincere honour and veneration to my supervisor **Dr. Abha Mishra**, Assistant Professor, School of Biochemical Engineering, Indian Institute of Technology (Banaras Hindu University) for her sagacious and benevolent guidance, constant encouragement, valuable suggestions, ever ready assistance, constructive criticism, keen interest and everlasting affection during the entire course of study and in preparation of this manuscript. I am really indebted to her for the affectionate care during the entire period.*

My sincere thanks are due to Prof. S.K. Srivastava, Coordinator of School of Biochemical Engineering, Indian Institute of Technology (Banaras Hindu University), for providing all the facilities to carry out my work smoothly.

The help and cooperation received from all the faculty members of the School of Biochemical Engineering especially Prof. Subir Kundu, Prof. Mira Debnath (Das) and Dr. Pradeep Srivastava are gratefully acknowledged.

My special thanks to Dr. Amit Singh, Pharmacology Department, IMS, BHU, for providing cell culture lab facility and his valuable suggestion, friendly behaviour and continual help.

I am thankful to the non-teaching staff of the School of Biochemical Engineering, especially Ramji Yadav ji, Loknath ji, Ramashankar ji, Vinay singh ji, Usha ji, Dinesh ji, Suchit Verma, Avinash and late. Lakshman ji for their help rendered in various ways.

I wish to express my deepest thanks to my seniors Dr. Ashutosh Tripathi, Dr. Neeraj Gupta, Dr. Saurish Karmaakar, Dr. Yogendra Singh, Mrs. Shalini Singh and many others for supporting me during my Ph.D. to make my task easier.

I wish to express my deepest thanks to my colleagues and friends Shipra Deep, Ashish and my juniors Mr. Nishant Singh, Mr. Manvendra Singh, Mr. Khemraj Sahu, Mr. Nitin Maurya, Mr. Dhiraj, Mr. Vivek and many more for supporting me during my Ph.D. to make my task easier.

I express my indebtedness to the Council of Scientific and Industrial Research (CSIR), New Delhi, for providing me financial help in the form of Junior Research Fellowship and Senior Research Fellowship, during the course of this work.

I wish to express my deepest thanks to my wife Mrs. Pooja Verma for her support and encouragement.
