

Acknowledgement

With the grace of Almighty and blessings of my parents, I have reached to the completion of this thesis. It is a matter of great privilege and immense pleasure for me to express my deep regards to my respected Supervisor, **Dr. Tannoy Som**, Professor, Indian institute of Technology(Banaras Hindu University), Varanasi. Their wide experience, unrivalled knowledge of the subject, learned guidance, stimulating discussion and moral support helped me immensely in completing this work. Particularly, in the initial stages, they have sustained me with paternal care and thoughtful advised as like a true friend. Their careful guidance shaped my understanding on research life as well as my chosen field. They let me know the importance of understanding the knowledge discovery in databases. My sincere thanks to them for providing necessary facilities during my research period.

It is an honour for me to thank **Prof. K.K. Shukla** for his love, blessings, encouragement and moral support.

I owe a lot to all my teachers who taught me Computer Science. Also, my sincere thanks to all faculty members, Institute of Science (Banaras Hindu University), Varanasi, India, for there valuable suggestions and help in the sense of directly or indirectly. Also, special thanks to **Mr. Anoop Kumar Tiwari** for valuable collaboration, love and moral support and it was a wonderful experience of working together and I hope that our collaboration will continue.

I have been very happy and privileged to be associated with **Mrs. Priti Kharwar**, **Mr. Sandeep Mishra**, **Mrs. Vandana Tiwari**, **Miss. Shivani Singh**, **Mr. Kamalesh Pandey**, **Mr. Rajkumar Mishra**, **Mr. Vijay Patel**, **Mr. Saurabh Shreevastava**, **Mr. Shishir Singh**, **Mr. Shiva Sharma**, **Mr. Ghanshyam Prasad**, and **Mr. Azad Singh**.

I would like to thank all the Ph.D. colleagues of the Department.

This acknowledgement would be incomplete if the name of great visionary "**Pt. Madan Mohan Malaviya**" is not mentioned, who made this divine center of knowledge. Deepest regards to him.

I would like to thank my **Mother** and **Father**. They have supported me in every circumstances and loved too much without any expectation.

Finally, I owe **my family (specially my Grandfather)** for their deepest love, endless patience and continued support in the pursuit of my aspirations through all of the

years of my study and I bow down my head to **Kashi Vishwanath, Sankat Mochan and Maa Durga** for showers of blessing throughout my research work to complete it successfully.
