

ACKNOWLEDGMENTS

I would like to take this opportunity to express my deep sense of gratitude to everyone who helped me directly or indirectly during my thesis work. First of all, I would like to thank my supervisor, Dr. S. K. Singh, for being a great mentor and the best adviser I could have. His advice, encouragement and critiques worked as source of innovative ideas and inspiration behind the successful completion of this thesis work. He showed immense confidence in my work. It has been a privilege working with him these past few years. I am highly obliged to all the faculty members of Computer Science and Engineering Department for their support and encouragement. I express my sincere thanks to the Head of the department, Prof. K. K. Shukla, Prof. A. K. Tripathi, Prof. R.B. Mishra, Dr. R. S. Singh, Prof. S. K. Nagar, Dept. of Electrical Engineering IIT (BHU) and Dr. L. M. Aggarwal, Department of Radiotherapy and Radiation Medicine, IMS BHU, Varanasi, INDIA for providing continuous support, encouragement and advice. I express my sincere thanks to all the Professors, Deans, office staff, supporting staff and PhD Research Scholars of Indian Institute of Technology (BHU) Varanasi India. I express my gratitude to the Director, Registrars, Deans, Heads, and Student Alumni of the Indian Institute of Technology (BHU) Varanasi. My time spent at IIT (BHU) would never be complete without the company and assistance of my fellow researchers. Special thanks to Mr. Sanjay Kumar Singh, Mr. Debanjan Sadhya, Mr. Durgesh Singh, Mr. Ramesh Pandey, Mr. Santosh Kumar, Mr. Lokendra S. Umrao and Mr. Nagendra P. Singh for their continuous moral academic support. I extend special thanks to the non-teaching staff in the Department, particularly, Dr. R. P. Meena, Mr. Shashikant Singh, Mr. Rajendra Kumar, Mr. Kanhaiya Lal and Mr. Bharat Pandey for their consistent support. My

family, my mother Smt. Naheed Abidi, my father Mr. Ehtesham Abidi and my sister Alifia who showed me the strength of resilience in the face of failures and the ability to spring back from the lows of life. Finally, I would like to wind up by paying my heartfelt thanks to the Almighty for his unbound love and grace.
