

ACKNOWLEDGEMENTS

First and above all, I praise Allah, the Almighty for providing me this opportunity and granting me the capability to proceed successfully. This thesis appears in its current form due to the assistance and guidance of several people. I would therefore like to offer my sincere thanks to all of them.

I am using this opportunity to express my sincere thanks and gratitude beyond words to my supervisors, Professor N.K. Mukhopadhyay and Dr. S. Srikanth, for their expert guidance and constant encouragements throughout the entire duration of my Ph.D. work. Their stimulation and encouragement influenced me to continue research even in difficult situations. I could not have imagined having better advisor and mentor for my Ph.D study.

Besides my advisors, I would like to thank the rest of my Doctoral committee members: Prof. R.K. Mandal, Prof. Rampada Manna and Prof. P. Maiti for their support and insightful comments.

I would like to convey my sincere thanks to Prof. R.K. Mandal (Head, Department of Metallurgical Engineering, IIT (BHU)), Prof. G.V.S. Sastry, Prof. A.K. Ghose and Prof. Shamsuddin (Former Heads, Department of Metallurgical Engineering, IIT (BHU)), Dr. G. Bhaskar Raju (Scientist-in-Charge, NML MC) , Dr. S. Subbarao (Scientist, NML MC) and Dr. A. Rajkumar (Sr. Tech. Officer, NML MC) for their valuable comments, suggestions and all other helpful actions which were necessary for this research work.

I express my gratitude and thanks to Professor K.A. Padmanabhan (University Chair Professor, Central University of Hyderabad) for introducing and enlightening me insights into the field of research, thereby guiding me to have real feel about Materials Science and Metallurgy.

I wish to convey my thanks to the entire scientists and technical staffs of the National Metallurgical Laboratory, Jamshedpur. My special thanks to Dr. V.C. Srivastava for his assistance, precious help and sharing illuminating views on a number of issues related to work. Sincere thanks also to Dr. Rakesh Kumar, Dr. Soumitra Tarafder, Dr. Sanchita Chakravarty, Mr. Abhishek K. Singh, Dr. Santanu Bhattacharjee, Dr. Ravi Kumar B, Dr. Swapan Kumar Das, Dr. Rajat Roy, Dr. Ansu J Kailath, Dr. Suman Kumari Mishra, Dr. Asit Kumar Pramanik, Mr. Amit Prakash and Dr. Amitava Mitra for their extensive help, providing an excellent atmosphere and needful facilities being required during the experiments and characterization.

A special thanks to my family. Words cannot express how grateful I am to my husband, father, mother, mother-in law, father-in-law, grandmother, brother and brother-in-law and sister-in-law for all of the sacrifices that they have made on my behalf. Their prayer for me was what sustained me thus far. Most importantly I would like to express special appreciation to my beloved husband Mr. L.S. Ameer Dheen and caring father Mr. Mohammed Ishaq who was always there cheering me up and stood by me through hardships and incited me to strive towards my goal. I would also like to thank my friends Mrs. Deepa Verma, Dr. K. Chennakesavulu and Dr. M. Kumar who supported me during the course.
