

## **ACKNOWLEDGMENTS**

*“The world is governed by scientific circumstantial evidence”, a famous statement of Shri DADA Bhagvan indicates that for occurrence of any event, so many people are responsible either directly or indirectly. This is true for my journey from birth to Ph.D. I express my thanks to the **Almighty** for providing me inspiration, strength, energy and patience to start and accomplish my goal with the support of all concerned. I would like to deeply thank various people who have interacted and provided me with useful and helpful assistance during this study.*

*With great sense of indebtedness I pay my heartfelt regards and gratitude to my supervisor **Dr. Shiru Sharma** for her outstanding supervision and support during the entire course of my Ph.D. programme. Apart from her contribution to my scientific pursuits and learning, she has been a great guiding force in all walks of my life and literally helped me to grow as a person. Her constant support despite my frequent mistakes helped me in learning and planning my work systematically. I am sure this will help me immensely in my upcoming career as well. I thank her from the core of my heart for the care and affection that actually helped me in developing patience and understanding what research exactly is all about. I remain indebted to her for all round support and guidance.*

*I convey my thanks to Coordinator, School of Biomedical Engineering, IIT (BHU), Varanasi, **Dr. Neeraj Sharma**, for his insightful guidance, comments, inexorable support, helpful and necessary advices. His willingness to offer me so much of his time and intellect is the major reason of this work. I have learned immensely from him. He taught me how to find direction in Ph.D. thesis work, drill down to the essentials, and make a dissertation out of it. I am highly grateful to him for making my Ph.D. thesis work such a smooth and rewarding experience. Thank you so much sir for your helpful advice and infinite support.*

*Here, I take this opportunity to thank Prof. A. K. Ray for his valuable support & help in pursuing the research work successfully. I am also grateful to Dr. R. K. Singh from Department of Electrical Engineering, IIT (BHU) for his kind support and advices. I would like to acknowledge Prof. Ranjana Patnaik, Prof. Nira Misra, Dr. Sanjay Kr. Rai, Dr. Somdeb Bose Dasgupta and Dr. Sanjeev Kr. Mahto for their valuable supports.*

*I would also like to acknowledge the financial, academic and technical support of the IIT (BHU) for all the equipment's and facilities they have provided, and the School of Biomedical Engineering for their support and assistance since the start of my work.*

*I extend my thanks to all my Seniors, Juniors and Colleagues of Ph.D. Dr. Pallab Bhattacharya, Dr. Sudip Paul, Dr. Shilpa Jaiswal, Dr. K. Ramesh, Md. Koushik Chowdhury, Mrs. Monika, Mr. Sanjay Saxena, Mr. Nishant Kumar Singh, Mr. Ankit Kajaria, Mr. Chandan, Mr. Kaushal, Mr. unendra, Mr. Jitendra, Ms. Hemlata, Ms. Anuranjita, Mr. Gaurav, Mr. Anurag, Mr. Gagan for their valuable company throughout my research work.*

*Moreover, a special note of thanks for all the office and lab staffs specially Mr. Parmatama Ji, Mr. Sharma Ji, Mr. Bharat Ji, Mr. Mishra Ji, Mr. Ajay Ji, Mr. Sharan Ji, Mr. Suresh Ji, Mr. Avinash Ji and Mr. Kishori for their kind help and support during my research work.*

*The people, who instilled inspiring in my life are those who bought me up, nurtured and imparted me the real virtues of humanities, empathy and kindness. They are my real motivators who sacrifice in order to bring me to the present position and blessed me with their grace and affection. These people are none other than my beloved father **Mr. Jai Mohan** and my beloved mother **Mrs. Kusum Srivastava**. I am invariably lack words to express the support, patience and encouragement rendered by my wife cum soul partner **Mrs. Jyoti Srivastava** for me during pursuing this Ph.D. programme. She forfeited and suffered the most to provide me an opportunity to pursue this Doctoral programme. However, without her constant love and support, this achievement would have been impractical. I wish to express my fatherhood feelings to my little sons **Advik and Atiksh**, which are always been a source of strength and whose patience cum cheerfulness with support inspired me in the accomplishment of this Ph.D. work.*

*Last, but not least, my head bows in paying obeisance to Almighty **Baba Viswanath** and **Mata Annapurna** who always bestowed upon me their kind blessing and showed me the path of right virtues.*

*Anuj Shrivastav*
