Schools / Meetings / Workshops / Conference Attended

1. First Indian Materials Conclave (IndMac) & 30th Annual General Meeting of MRSI, IISC Bangalore, 12-15th February 2019.
2. “International Conference on Functional Nanomaterials (ICFNM-2019)”, IIT (BHU), Varanasi, 22-25th February 2019.
3. “64th DAE Solid State Physics Symposium” Organized by BARC Mumbai, IIT Jodhpur, Rajasthan, 18-22th December 2019.
4. 1st International e-Conference on Recent Advances in Physics & Materials Science-2020 (IC-RAPMS-2020) Organized by Kurseong College, Darjeeling, West Bengal, India-734203, 9-10th July 2020.

-
5. “Advanced Physical Tools and Techniques for Materials Characterization” (APTTMC-2020), Organized online at Department of Physics Mahatma Gandhi Central University, Motihari-845401, Bihar, 28th July- 03rd August 2020.
 6. “Online Workshop on Rietveld Refinement Method” Organized online by UGC-DAE Consortium for Scientific Research, 22-24 September 2020.
 7. “7th Conference on Neutron Scattering (CNS -2021)” Organized by Bhabha Atomic Research Centre & Neutron Scattering Society of India at Anushaktinagar, Mumbai., November 25-27, 2021.
 8. “65th DAE Solid State Physics Symposium” Organized by: Bhabha Atomic research centre, Mumbai, December 15-19, 2021.
