

Acknowledgements

At the very outset, I would like to pay the homage to founder of Banaras Hindu University, Mahamana Pandit Madan Mohan Malaviya Ji, who made this glorious temple of learning.

I express my heartfelt gratitude & indebtedness to my venerated teacher and Supervisor Dr. Vikas Kumar for his expert supervision, constant encouragement and steadfast support, which made it possible to conduct the research work smoothly.

It is with immense gratitude that I acknowledge the support & help of Dr. Geeta Rai (co-supervisor), whose guidance was instrumental in accomplishing the research work,

I am obliged and sincerely thankful to Prof. Brahmeshwar Mishra, Head, Department of Pharmaceutics, IIT (BHU), Varanasi for providing facilities for my research work. I am obliged to all RPC and DPGC members for evaluation of my research works. I shall remain thankful to all respected faculty members Prof. Radhey Shyam Srivastava, Prof. Sushil Kumar Singh, Prof. Sanjay Singh, Mr. Anand Kumar Srivastava, Prof. Sushant Kumar Shrivastava, Dr. Sairam Krishnamurthy, Dr. (Mrs.) Siva Hemalatha, Dr. Senthil Raja Ayyannan, Dr. Sunil Kumar Mishra, Dr. Alakhi Niranjana Sahu, and Mrs. Ruchi Chawla for their co-operation & valuable suggestions during my research work,

I am sincerely thankful to constructive comments of Prof. Lal Chand Rai, Professor & Head, Department of Botany, Banaras Hindu University, Varanasi as an Expert Member, Department of Science and Technology, Government of India, New Delhi.

I am indebted to Dr. Shyam Sunder Chatterjee, Retired Head of Pharmacology Research Laboratories, Dr. Willmar Schwabe GmbH & Co KG, Karlsruhe, Germany, for his valuable suggestions & untiring support.

*I am grateful to Natural Remedies Pvt. Ltd., Bangalore for providing complementary sample of standardised extract of *Andrographis paniculata*, pure andrographolide along with its HPLC fingerprints, and other technical supports.*

Special thanks to Mr. Upendar Kumar Soni, Research Scholar, Department of Molecular & Human Genetics, Banaras Hindu University, for his helping-hand in RT-PCR and cell-line studies.

I wish to express a special word of thanks to all research scholars of the Department, my lab mates and junior fellows for their continuous support.

I am grateful to Department of Science and Technology, Government of India, New Delhi for financial assistance in the form of INSPIRE Fellowship (JRF/SRF-P) during my Ph.D. work, Department of Biotechnology and Department of Science and Technology, Government of India, New Delhi thankfully acknowledged for awarding International Travel Grant in support of poster presentation at Singapore and South Africa respectively.

I pay my sincere thanks to all non-teaching staffs for their technical assistance and co-operation throughout my research work, I am also thankful to all persons who directly or indirectly contributed to accomplish this research work,

Words cannot express my gratitude for my "Papa" and "Maa" for making me capable of reaching this height of education. With deepest gratitude and love, I bow down at the lotus feet of lord Vishwanathji, for never leaving me alone during the times of trials and suffering and moulding me in to what I am today.

Last, but not least, I pray to almighty for the 'Moksha' of those little Albino rats and mice, whose sacrifices proved the truth of my experimental works done for the betterment of the ailing humanity.
