Many others that have been involved also deserve recognition. It is however, not possible to list them all here. Their support in this effort is, however, greatly appreciated but this acknowledgement would be incomplete if the name of great visionary, Pt. Madan Mohan Malviyaji, is not mentioned, who made this divine centre of knowledge –Banaras Hindu University. Deepest regards to him. Last but not least, I wish to thank all my friends and foes and the persons whose names have not been included on this piece of paper for extending their cooperation directly or indirectly.

Finally, I am grateful to Almighty for giving me patience to make this endeavor a success.

Sincerely
