

# Acknowledgement

*First and foremost, I thank from the inner heart of my soul to lord almighty, the merciful and gracious “Kashi Vishvanath” who always bestowed upon me their kind blessing and showed me the path of right virtues.*

*This is a wonderful opportunity for me to acknowledge the people without whom it would not have been possible to complete my doctoral degree. Truly, words are not enough to express my gratitude to all of them.*

*First of all, I would like to express my deep sense of gratitude to my supervisor, Prof S. Jit, Department of Electronics Engineering, IIT-BHU, for his expertise shown in guiding my work, the willingness to share his knowledge and experience and also his persistent encouragement during entire period of the study. His, immense knowledge and critical but valuable remarks led me to do a good research. I am deeply indebted to him for his kindness, constant encouragement and support.*

*I feel immense pleasure to acknowledge Prof. P. Chakrabarti, Director MNIT Allahabad for introducing me to the world of microelectronics by welcoming me into his research group when I was a project research fellow. I am grateful for his advice and encouragements that have helped me grow professionally as well as personally. I would also thank Mr. Amritanshu Pandey, Assistant professor, Department of Electronics Engineering, IIT (BHU) for his kind co-operation and valuable suggestions.*

*I wish to extend my sincere gratitude towards my research programme committee (RPC) member, Prof. V. N. Mishra, Dr. R. U. Khan and Prof. Rajeev Prakash, School of Material Science and Technology, IIT (BHU), Varanasi for their valuable advice during entire period of the study.*

*I am very much thankful to Prof. P. K. Jain, Head, Department of Electronics Engineering, IIT (BHU), Varanasi and all DRC members for their kind support during entire period of the study.*

*I would also thank, Prof. D. K. Pandya from Department of Physics, Indian Institute of Technology, Delhi for providing XRD facilities for my sample within a short period of time. I also acknowledge, Dr. R. Ranga Rao, Sr. Scientist from CEERI Pilani and Late Prof. B. P. Asthana from Department of Physics, BHU, Varanasi for providing SEM and Raman characterization facilities of my samples.*

*I wish to express my gratefulness to Prof. R. D. S. Yadava from Department of Physics, faculty of Science, BHU, Varanasi for giving me valuable suggestion and constant encouragement during my stay at Varanasi.*

*I am really thankful to Mrs. Urmila Jit and Dr. Runa Chakrabarti for their constant motivation and support throughout entire course of study.*

*I express my sincere thanks to Mr. M. K. Saxena, Mr. S. C. Yadava, Mr. Sanjeev Srivastava, Mr. Shyam Narayan, Mr. Vinay Singh and entire staff of the CRME for their co-operation and kind support at different stages of the experimental work of my research. I am also thankful to all the office and library staff of the Department of Electronics engineering for their help and co-operation.*

*I acknowledge the financial support provided by the University Grant Commission (UGC), Government of India) in the form of Research Fellowship in Science for Meritorious Student (RFSMS). I am also thankful to CSIR, New Delhi, for awarding financial assistance in the form of SRF fellowship.*

*I acknowledge the financial support provided by the Department of Science and Technology in the form of International travel support (ITS) grant for attending 9<sup>th</sup> IEEE Nanotechnology and Materials Devices conference 2014 held at Aci-Castello, Catania, Italy for the duration of Oct 12-15, 2014.*

*It is my pleasure to acknowledge the kind support received from my senior lab mates and colleagues in the Microelectronics Lab, Dr. Pramod Kumar Tiwari, , Dr. C. Periasamy, Dr. Shaivalini Singh, Dr. Sarvesh Dubey, Dr. Shewta Tripathi, Mr. Aniruddh Bahadur Yadav and Mrs. Shashi Tiwari. Apart from this, I am very much thankful to my juniors, Mr. Mirgendra Kumar, Mr. Sunny Sharma, Mr. Kunal Singh, Mr. Vinod Choudhary, Mr. Sanjay Kumar, Ms. Ekta Goal, Mr. Gopal Rawat, Mr. Yogosh Kumar, Mr. Balraj Singh, and Mr. Hemant Kumar for maintaining a conductive and peaceful research environment for carrying out the research work,*

*I am really thankful to Dr. Meenakshi Choudhary and Ms. Purnima Hazra who always supported me throughout this journey. The discussions, experiments, evening tea at VT, conferences, parties, shakes have all make my time memorable with them.*

*I feel wordless to appreciate the kind support, encouraging words of my wonderful friend cum roommate Mrs. Monika with whom I spent countless relaxing, hilarious and pleasant moments. I really wish to thank her for sharing my all tensions and stupid thoughts during my staying at IIT (BHU).*

*It is my pleasure to mention some colleagues and friends from Department of Physics, Dr. D. K. Yadava, Mr. M. K. Vishvakarma, Dr. Shashank Shekher Jha, Mrs. Ruchi Singh, Dr. Prashant Singh and Mrs. Prabha Verma for their valuable suggestions and kind co-operations during my stay at Varanasi.*

*The people, who instilled inspiring in my life are those who brought me up, nurtured and imparted me the real virtues of humanities, empathy and kindness. They are my real motivators who sacrifice in order to bring me to the present position and blessed me with their grace and affection. I record my deep and utmost gratitude to my father Mr. R. P. Singh Somvanshi and My mother Mrs. Amita Somvanshi, for their devotion, sacrifices, encouragement, support, and prayers for my whole life. I can say, this small space is not enough to acknowledge your contributions up to this stage of my life.*

*Endless thanks to my elder sister Mrs. Subhashini Singh for encouraging and criticizing me throughout my Ph.D, and for being my great support. The moral support provided by elder sister Mrs. Namarata Somvanshi is also acknowledged.*

*I would also thank my brother in law, Mr. R. P. Singh Chouhan, Mr. K. V. Singh Chouhan, and Mr. Ashish Singh Solanki for their constant encouragement and kind support throughout the study.*

*Endless thank to my lovely sister Prachi who always supported me throughout this journey, because without her support, it is impossible for me to complete my entire thesis smoothly. A special thanks to my younger brothers Priyal and Ashish for their care and support.*

*I am also really grateful to my little nephews, Parth, Yatharth, Ojas and Kanha, for their sweet and naughty smiles that takes away all the burden of my life.*

*This acknowledgement would be incomplete if the name of great visionary Bharat ratna Pt. Madan Mohan Malviyaji, is not mentioned, who made this divine centre of knowledge. Deepest regards to him.*

*Varanasi*

*(Divya Somvanshi)*
