

ACKNOWLEDGEMENT

I feel privileged to have Prof. Sunil Mohan, Department of Metallurgical Engineering, Indian Institute of Technology (BHU) as my PhD supervisor. I am highly grateful for his constant support, encouragement, guidance and for his valuable time that he spent with me during the entire tenure of my PhD work. I would like to extend my deep gratitude to my co-supervisor Dr. R. K. Gautam, Associate Professor, Department of Mechanical Engineering, IIT (BHU) for his valuable suggestions and guidance throughout the research work.

I am thankful to Ex HOD Prof G. V. S. Sastry and Prof. R.K.Mandal, Head of the Department, for providing all the necessary facilities to carry out the research work. I am also thankful to Prof. Rajnesh Tyagi and Dr. C. K. Behera for their time to time guidance and positive criticism during evaluation of research credits. I would like to extend my gratitude to Dr. Anita Mohan, Associate Professor, Department of Physics, IIT (BHU) for her valuable suggestions, moral support and kind help throughout my PhD work.

I also thank the laboratory staff of the department specially Dr. Shankar Jha, Sri. J.P.Minz, Sri Ashok Vishwakarma, Sri M.N.Mishra, Sri. Balwant, Mr. Sunil Kumar and Mr. Arun Prakash. My sincere thanks are also due to Mr. Kamaldeep from Rtec Instruments for his help. I cannot forget to mention help and moral support extended by Mr. Gaurav Gautam, Research scholar, Department of Physics.

I owe my deep sense of gratitude to my grandparents and parents. Last but not the least, I thank my wife for her encouragement and mental support.
