*First of all, I bow with reverence to thank the ALMIGHTY who has enriched me with such a golden opportunity and infused the power in my mind to fulfill the task assigned to me.*

*It is definitely a pleasing privilege for me to express my insightful gratefulness and indebtedness to my revered supervisor Prof. Brahmeshwar Mishra. His conscientious suggestions, creative ideas, critical evaluation and homely atmosphere in which he makes one work, are some of the supreme qualities that will be cherished as a quintessential example of the brilliant guidance. He has always been a constant source of encouragement and patient bearer of my mistakes. I shall remain indebted to him for his diligent efforts and professional competencies, which contributed towards the completion of the research work. With his enthusiasm, inspiration and his great efforts to explain things clearly and simply, he helped to make the subject of pharmaceutical sciences more interesting. Throughout my tenure in the department, he provided encouragement, sound advice, good teaching and above all a good company. I feel deeply honored and it has been a real privilege for me to get an opportunity to work under him for one more time. The overwhelming enthusiasm that he has inoculated in me is not just limited to this work but will take me a long way in my life. One simply could not wish for a better or friendlier supervisor.*

*I am indeed obliged and sincerely thankful to Dr. R.S. Srivastava, previous Head, Prof. B. Mishra, Ex-Head and Prof. S.K. Singh, Head, Department of Pharmaceutics, Indian Institute of Technology (Banaras Hindu University) for kindly allowing me to use the facilities required to complete my work,*

*I Wish to express deep regards to all the teachers of the department Prof. S.K. Srivastava, Prof. Sanjay Singh, Mr. A.K. Srivastava, Dr. Hemalatha, Dr. K. Sairam, Dr. Vikas Kumar, Dr. Senthil Raja, Dr. A.N. Sahu, Dr. S.K. Mishra, Dr. Ruchi Chawla and Dr. Ashok Kumar Maurya for their kind cooperation at all moments during the progress of my research.*

*I deeply admire and acknowledge the support extended by Sanat Products Ltd., New Delhi and Evonik Degussa, Mumbai; who have assisted me in providing gift samples during the research work,*

*My sincere thanks go to all authors and laboratories that sent their valuable reprints and chemicals, for my research work. My deep thanks to all the reviewers who have reviewed my research work during the process of publications.*

*Words fail to express my immense appreciation for my loving wife Rupali who has been a constant source of priceless love, moral motivation and emotional supports to me. I owe her for showing great confidence on my abilities and encouraging me to start a fresh whenever I gave up.*

*I owe my deepest gratitude to my Parents for being a constant source of encouragement and support throughout my life. It is their love and trust on my abilities which has made me a person I am today. My parents provided me with a loving home, one where an academic mind was celebrated. They backed my decision in all peaks and troughs of my life and made it a smooth journey for me. Lastly, I would like to mention the name of my loving daughter Pihu, whose presence in my life has given a meaning to my existence and has completely changed me as a person.*

*I am indeed thankful to have got welcoming and friendly fellow mates Mr. Nagendra Kumar, Mr. Ravi R. Patel and Mr. Gayasuddin Khan, who were ever ready to provide me with all possible help and they created a happy working environment and foster camaraderie within the laboratory. Amongst the juniors, I would like to thank Mr. Gufran Ajmal, Ms Pooja Mittal, Ms. Mohana Srivalli, Mr. Gunjan Bonde, Mr. Sateesh T., for their alacrity and support during the tenure.*

*My thankful regards to my seniors in this department Mr. Dileep Kumar, Mr. Anupam G. Baneerjee, Dr. Pramila Chaubey, Dr. Rahul Tripathi, Dr. Madhusmita Mishra, Dr. Dali Shukla, Dr. Subhashis Chakraborty, Dr. Sanjay Tiwari, Dr. Ahint Jain, Dr. Anuj Garg, Mr. Nirupam Das, Dr. Dinesh Patel and Mr. Manish Kumar for their co-operation and making my stay in the Varanasi so memorable as we had wonderful time together.*

*I shall fail in my duty if I do not convey my regards to all the non-teaching staff members of the department Mr. Sanjeev Kumar Singh (for preparing fellowship bill), Mr. Yaswant Singh, Mrs. Shyamli Ghosal, Mrs. Saroj Kumari, Mrs. Archana Singh, Mr. Nand Lal Ji, Mr. Madan Lal Ji, Mr. Arun Kumar, Mr. Jameel Ji, Mr. Rafique Ji, Mr. Chotelal Jaiswal, Mr. Virendra Kr. Singh, Mr. Ram Jiyawan, Mr. A.N. Upadhyay, Mr. Kapil Dev Rai, Mr. Sunil Kr. Singh, Mr. Ram H. Pathak for their support and help during the research work.*

*My heartfelt thanks to all my teachers right from school until now and all my well-wishers for their constant encouragement and wishes for my career. I also extend my thanks to all those, who have been directly or indirectly related to my project work,*

*My profound thank to Ministry of Science and Technology, DST-INSPIRE Programme Division, New Delhi for the award of DST-INSPIRE Fellowship to carry out the research work, I am also grateful thanks to Prof. S.C. Lakhotia (Department of Zoology, BHU) for providing the facility of CLSM, Prof. O. N. Srivastava and Prof. R.K. Pandey (Department of Physics, BHU) for providing facility for DSC, XRD and TEM, Dr. A. Juvekar (ACTREC, Mumbai) for providing facility for in-vitro and in-vivo anticancer studies.*

*With deepest gratitude and love, I bow down at the lotus feet of Lord Vishwanath, baba Kal Bhairav and Lord Hanuman for never ever leaving me alone during the times of trials and sufferings and molding me into what I am today.*

*Lastly, I pray to almighty for the 'Moksha' of my experimental animals, whose sacrifices proved the truth of my thesis work done for the betterment of the ailing humanity.*
