

ACKNOWLEDGEMENTS

Foremost, I would like to express my sincerest regards and love for my parents Shri. Santosh Chandra Bhatt and Smt. Manju Devi Bhatt for their constant support and love throughout my life. I will always be in debt no matter what I do, and I will always be your reflection.

Besides my parents, I would like to express my immense gratitude to my supervisor Prof S. Jit and co-supervisor Dr. Bhola Nath Pal for their excellent guidance and motivation. The completion of this research work is indeed an outcome of their constant untiring support, valuable ideas, and suggestions during my research work. The insightful discussions with them always provided me great enthusiasm.

I would like to thank my thesis committee: Prof. V. N. Mishra, Prof. R. Mohanty for their encouragement and insightful comments.

I am grateful to Dr. B. Mukherjee for allowing me to work in his lab and for enlightening me the first glance of research.

I would like to express my sincere appreciation to my colleague, lab mate, and group partner Mr. Yogesh Kumar who helped me in every phase of the Ph.D. duration.

I would like to express my special thanks to Dr. Mregendra Kumar, Dr. Kunal Singh, Dr. Sunny, Mr. Gopal Rawat, Mr. Chandan Kumar and Mr. Sanjay Kumar for their valuable assistance from personal to the technical level.

I am indebted to many research scholars for providing a stimulating and fun-filled environment.
