

## ACKNOWLEDGEMENT

---

At the outset, let me pay my obeisance to Maiya Jagaddhatree for catapulting me to this level of academic pursuit. Thereafter, let me express my sincere gratitude to my respected supervisors - Dr. Rakesh Kumar Gautam and Prof. Rajnesh Tyagi, for their matured guidance, relentless encouragement and constant words of motivation. They have given me all freedom to use the experimental facilities, platform, availability to discuss ideas and willingness to give their knowledge. It was really a very nice and unique experience to work under their able guidance. I humbly acknowledge my heartfelt gratitude to them.

I wish to acknowledge my sincere gratefulness to Prof. A. K. Jha, Head, Department of Mechanical Engineering, Indian Institute of Technology (BHU), Varanasi, for his kind gesture and extending all sorts of facilities in the department to pursue this kind of research work.

Further, I equally owe a special debt of gratitude to Prof. Om Parkash and Prof. Devendra Kumar for having shown a keen interest in this work and providing various available experimental facilities of their respective labs towards this project, and further offering their incessant blessings during the entire course of this research work.

I would like to express my grateful thanks to my RPC members; Prof. Sunil Mohan, Prof. A. P. Harsha and Prof. Rajesh Kumar for being kind enough to make evaluation of my work-progress, extending meaningful comments and fruitful suggestions from time to time. It equally gives me great pleasure to acknowledge my thankfulness to Prof. J. P. Dwivedi, Prof. V. P. Singh, and Prof. A. K. Aggrawal for taking interest in the progress of this project. My sincere thanks also go to Ministry of Human Resource Development, Govt. of India, for providing me financial assistance during my research tenure.

I express my sincere thanks to the technical and office staff, especially Mr. S. P. Singh, Mr. J. K. Sinha, Mr. Rajendra, Mr. Ramje, Mr. Khan, Mr. Ashish Tripathi, Mr. Bhagmal, Mr. Munna ji and Mr. Kashi ji who helped me in various ways during this research work. I would like to thank all other people who have provided a truly conducive environment to successfully carry out this research. I shall be failing in my duty if I do not put on record my sincere appreciation and thankfulness to my seniors, lab mates and friends;

Mr. Rajiv Nayan Gupta, Mr. Ambuj, Mr. Amit Singh, Mr. Shushant Singh, Mr. Khemraj, Mr. Aninash, Mr. Prashant, Mr. Hemant, Mr. Suraj, Mr. Hominder, Mr. Amod, Dr. Vijay Yadav, and Mr. B. N. Bhattacharjee. My special thanks go to Dr. Vijay Kumar Mishra, Dr. Abhinav Srivastava, Dr. Arvind Sharma, Dr. D. K. Sinha and Mr. Manvandra Kumar Singh. I found them always around me during periods of need.

I have no words to express my indebtedness and gratitude to my parents, Mrs. Nitya Jha and Prof. Pinak Nath Jha for showering their affectionate love and all possible support during my research-endeavour. They have been a guiding force all through my life, and I could always try to measure up to their expectations. I humbly dedicate this work to them. I further express my sincere thanks to my younger sister, Mrs. Pooja Jha for her constant motivation and support during all these periods. Words at my command are not sufficient enough to express my feelings especially for my sweet niece Ch. Vanya Anand whose smiling face always rejuvenates me. I wish to acknowledge my sincere thanks and gratefulness to Mr. Sukumar Jha, Mrs. Kumkum Jha, Dr. Mitranath Jha, Mr. Sashidhari Singh, Mrs. Ameeta Jha, Mr. Vivekanand Jha, Mr. Manish Kumar Jha, Mr. Pranab Kumar Jha, Dr. Amit Chandrana, and Dr. S. R. Rao for their everlasting encouragement. I sincerely crave indulgence of the readers towards the misprint & other lapses (if any) in the thesis.

I would fail in my duty if I fail to express my deep sense of gratefulness and thankfulness to my wife, Manisha, and my children – Ch. Pukhraj & Ch. Panna for bearing with me during the present research-endeavour, and for their being a constant source of love, energy & ecstasy to make each day of my life brimmed with a wonderfully pleasant experience.

To all these people and to those unmentioned, my heartfelt thanks.
