

## ACKNOWLEDGEMENTS

---

I express my sincere gratitude to my supervisors **Dr. Cherian Samuel** and **Prof. S.K.Sharma** for their continuous encouragement and support throughout my doctoral program, without which this research work could not have been completed. I am truly indebted to them for their guidance and assistance they render me throughout my research work especially in designing the research, developing survey instruments and enhancing my understanding of empirical research.

I am grateful to all members of my research performance evaluation committee (RPEC): **Prof. P. Bhardwaj** and **Dr. M.K. Meshram** for the valuable inputs and constructive suggestions they provided me to improve this research work. I am also grateful to **Prof. A.K Agrawal** and **Prof. Kripa Shankar** for all the learning they provided me during my doctoral program. I am also thankful to Head of the Department, **Prof. A.K.Jha** and all the faculty members of Department of Mechanical Engineering, IIT (BHU), Varanasi for their useful suggestions. I appreciate **Prof. A.S.K. Sinha**, Dean (Academic Affairs), **Prof. Rajiv Prakash** Dean (R&D), and the Registrar **Dr. S.P. Mathur** for providing all the support and facilities at the campus.

I wish to express my special gratitude to living goddesses **Mrs. Chander Kala Mishra** (my mother), **Ms. Shambhavi Mishra** (my niece) and **Ms. Adya Dubey** (my niece) for their blessing throughout my research work. I am also thankful to my family and fellow Ph.D. students who made this journey easier with their care and support. Above all, I am eternally indebted to Lord Shiva, Almighty.
