*The work presented in this thesis would not have been possible without my close association with many peoples who were always there when I needed them the most. I take this opportunity to acknowledge them and extend my sincere gratitude for helping me make this thesis a possibility. At this moment of accomplishment, first of all I would like to pay the homage to the founder of Banaras Hindu University, Pandit Madan Mohan Malviya Ji, who made this glorious temple to realize spiritual, technical and scientific knowledge about this vast existing universe.*

*I embrace the opportunity to express my deep sense of gratitude to my supervisor **Dr. Rajiv Prakash**, Professor, School of Materials Science & Technology, IIT (B.H.U.), Varanasi for his constant guidance, valuable suggestions and kind encouragement during my association with his research group. His encouragement, constant support, intellectual stimulation, perceptive guidance, immensely valuable ideas, and suggestions from the initial to the final level enabled me to develop an understanding of the subject. His scholarly suggestions, prudent admonitions, immense interest, constant help and affectionate behavior have been a source of inspiration for me. His suggestions will remain with me as an inexhaustible source of scientific learning throughout my life.*

*I would like to express my sincere and whole hearted gratitude to **Prof. D. Pandey, Prof. P. Maiti, Dr. C. Rath, Dr. A. K. Singh, Dr. C. Upadhyay, Dr. B. N. Pal, Dr. Ashish Kumar Mishra, Dr. Sanjay Singh and Dr. Shravan Kumar Mishra.** (School of Materials Science and Technology, IIT-BHU, Varanasi) for discussion during seminars and valuable suggestions given by them. I am indeed obliged and sincerely thankful to my RPEC member **Prof. P. C. Pandey**, Department of Chemistry, IIT- BHU for his guidance and untiring attention right from the inception to the successful completion of assigned research work. Most of the results described in this thesis would not have been obtained without a close collaboration with few laboratories. I am thankful to **Dr. A. K. Sihna** (Head, Department of Chemical Engineering, IIT (BHU), **Dr. T. Shripathi and***

**Dr. U. Deshpande** (UGC-DAE Consortium for Scientific Research, Indore, India) for providing XPS facility.

*I am thankful to the unknown reviewers who have rejected my papers several times in some of the international conferences and journals. The comments that they provided helped to polish our articles in better shape. But the bigger and nobler cause of thanking them is that the rejections have equipped me with high level of patience and helped me a lot to exercise/implement my spiritual thoughts in practice.*

*My acknowledgement will never be complete without the special mention of my lab seniors who have taught me the lab culture and have lived by example to make me understand the hard facts of life. I would like to acknowledge **Dr. Arun K. Singh, Dr. Akhilesh K. Singh, Dr. Ashish Kumar, Dr. Rajiv Kumar Pandey, Dr. Shashi Tiwari, Dr. Sandeep Gupta, Dr. Gopal Ji, Dr. Shraddha Singh, Dr. Monika Srivastava, Dr. Uday Pratap Azad, Dr. Narsingh Raw Nirala, Dr. Neeraj Giri, Dr. Madhu Tiwari, Dr. Kashish, Dr. Ashish Kumar Singh (INSPIRE faculty)** for all their support and motivation during the initial days of my PhD.*

*My heartfelt thanks to my fellow lab mates **Tanu Gupta and Saloni Gupta** for always being there and bearing with me the good and bad times during my wonderful days of Ph.D. Also, I am thankful to my lab fellows and juniors of my lab specially **Richa, Manish, Vinita, Chandrajeet, Vineet, Nikhil, Ravi, Bishnu, Ajay, Aniruddha, Priya, Shweta, Subhajit, Praveen, Chandan** for their helping behavior.*

*It's my fortune to gratefully acknowledge the support of some special individuals. Words fail me to express my appreciation to **Tanu Gupta** (Department of Chemistry BHU), **Pooja Gautam, Lata Sharma and Shikha Dubey** (Department of Chemistry, IIT (BHU)), and **Hemlata Shakya** (Department of Biomedical Engineering) for their support, generous care and the homely feeling at the hostel. Their association has made my stay in IIT (BHU) a pleasurable and memorable experience. My outing and shopping with*

*them will be etched permanently in my memory. They were always beside me during the happy and hard moments to push me and motivate me. My friends from the Materials Science Arpan, Bharti, Priyanka, Pinki, Pramod, Jagdish, Arun Kumar, Anand, Aparna, Narendra, Sandeep, Durgesh, Monika, Satyaveer, Anupama, Dinesh, Keshav, Arun, Chandrabhal, and from department of Chemistry (BHU) Isha and Archana, the list is endless...thanks to one and all.*

*I am also thankful to all, to whom I could not mention here who helped me directly or indirectly throughout the work. I am thankful to all non-teaching staff of SMST, IIT (BHU) and CIFC for their cooperation at all levels.*

*I express my indebtedness to my parents **Smt. Gayatri Tiwari and Sri. Raj Muni Tiwari** and my brothers **Kuldeep Tiwari, Sandeep Tiwari, and Pradeep Tiwari** for their love, affection and support during every moment in my life.*

*I gratefully acknowledge the MHRD, New Delhi for providing me the necessary funding and fellowship to pursue research work.*

*This work would not have been possible without the grace of the “Lord Shiva and Mata Di”.*

*(Preeti Tiwari)*
