

ACKNOWLEDGEMENT

First of all I would like to express my heartfelt gratitude and indebtedness to my Supervisor **Dr. L. P. Singh**, Professor and Head, Department of Mathematical Sciences, IIT (BHU) for his enthusiastic guidance, patience and for providing me the requisite facilities to carry out my doctoral research. His continuous support and assistance have indeed impetus my endeavors. I am deeply indebted to my supervisor for their stimulated suggestions and continuous encouragement. Without his keen supervision and sagacious guidance it would not have been possible for me to complete the work. I also learned from him which is much more than one could have expected from his supervisor. I am also grateful to **Ms. Aabha Singh** for continuous encouragement, motherly love and support.

I offer my sincere respect to Late **Prof. O. P. Singh**, Former Head, Department of Mathematical Sciences, IIT BHU, internal subject expert **Prof. S. K. Pandey**, Department of Mathematical Sciences, IIT (BHU), and external subject expert **Prof. P. K. Singh**, Department of Civil Engineering, IIT (BHU), for their constant support and motivation throughout my tenure as a research scholar.

I would like to express my deep sense of gratitude to **Prof. Rekha Srivastava**, Convener DPGC, Department of Mathematical Sciences, IIT (BHU) for their support throughout my research work. I acknowledge my deep sense of respect to **all Faculty Members** of the Department of Mathematical Sciences and Members of **RPEC, DPGC** and **DRC** for their valuable suggestions, appreciation and encouragement. I am also grateful to all non teaching staff members of the Department for their support.
